

A muscular man with extensive tattoos on his chest and arms is shown from the waist up. He is holding a handgun in his right hand, pointing it towards the camera. He is wearing white, torn shorts. The background is dark and blurry, suggesting an urban setting at night.

"EMOTIONALLY INTENSE,
FULL OF ACTION AND HOT AS HELL."

The Complete Shadow Grail Series Mercedes Lackey, Rosemary Edghill, 2018-10-09 An enchanting mixture of mystery romance magic and murder Delia Sherman author of Changeling from Mercedes Lackey and Rosemary Edghill The Complete Shadow Grail Series discounted ebundle includes Legacies Conspiracies Sacrifices Victories In this young adult fantasy series losing her family is only the start of Spirit White s problems Wracked by grief after the accident that killed her family Spirit is spirited away to Oakhurst Academy But Oakhurst isn t an ordinary school and orphanage all the students have magical powers Spirit s power hasn t manifested itself yet but the administrators insist she has one But that isn t all the school has some sinister secrets and if she doesn t solve its mysteries she won t survive until graduation Legacies Who or what is stalking the students at Oakhurst Academy In the wake of the accident that killed her family Spirit White is spirited away to Oakhurst Academy There she learns she is a legacy not only to the school which her parents also attended but to magic Conspiracies Spirit and her friends Burke Loch Muirín and Addie have managed to defeat the evil force that has been killing students at Oakhurst Academy for the past forty years or so they think When a series of magical attacks disrupts the school Doctor Ambrosius calls upon alumnus Mark Rider to secure the campus and start training the students for war Sacrifices The students of Oakhurst Academy believe they have triumphed over the Shadow Knights But Spirit Burke Muirín Loch and Addie know better Under the guise of a company called Breakthrough Adventure Systems the Shadow Knights have actually taken over the campus Victories Spirit White and her friends Burke Loch and Addie have escaped from Oakhurst Academy But their freedom has come at a terrible cost a dear friend sacrificed her own life to save theirs In the wake of their friend s death they are also forced to deal with the terrifying truth behind the facade of Oakhurst Academy all of the legends are true At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Britain and Its Empire in the Shadow of Rome Sarah J. Butler, 2012-10-11 Drawing on new primary source evidence this volume evaluates ancient Rome's influence on an English intellectual tradition from the 1850s to the 1920s as politicians scientists economists and social reformers addressed three fundamental debates of the period Empire Nation and City These debates emerged as a result of political economic and social change both in the Empire and Britain and coalesced around issues of degeneracy morality and community As ideas of political freedom were subsumed by ideas of civilization best preserved by technocratic governance the political and historical focus on Republican Rome was gradually displaced by interest in the Imperial period of the Roman emperors Moreover as the spectre of the British Empire and Nation in decline increased towards the turn of the nineteenth century the reception of Imperial Rome itself was transformed By the 1920s following the end of World War I Imperial Rome was conjured into a new framework echoing that of the British Empire and appealing to the surging nationalistic mood Radiology, 1929

Darius in the Shadow of Alexander Pierre Briant, 2015-01-05 A detailed and incisive analysis of the recorded history surrounding the last king of Achaemenid Persia Darius III The last of Cyrus the Great's dynastic inheritors and the legendary enemy of Alexander the Great Darius III ruled over a Persian Empire that stretched from the Mediterranean to the Indus River Yet despite being the most powerful king of his time Darius remains an obscure figure As Pierre Briant explains in the first book ever devoted to the historical memory of Darius III the little that is known of him comes primarily from Greek and Roman sources which often present him in an unflattering light as a decadent Oriental who lacked the masculine virtues of his Western adversaries Influenced by the Alexander Romance as they are even the medieval Persian sources are not free of harsh prejudices against the king Dara whom they deemed deficient in the traditional kingly virtues Ancient Classical accounts construct a man who is in every respect Alexander's opposite feeble minded militarily inept addicted to pleasure and vain When Darius's wife and children are captured by Alexander's forces at the Battle of Issos Darius is ready to ransom his entire kingdom to save them a devoted husband and father perhaps but a weak king While Darius seems doomed to be a footnote in the chronicle of Alexander's conquests in one respect it is Darius who has the last laugh For after Darius's defeat in 331 BCE Alexander is described by historians as becoming ever more like his vanquished opponent a Darius like sybarite prone to unmanly excess Praise for Darius in the Shadow of Alexander Briant is the world's leading authority on the Persian empire that Alexander conquered one of few living scholars with the linguistic mastery to study both the Greco Roman and Persian sources and hence examine the reign of Darius from European and Asian perspectives In the intensely thorough analysis he conducts here he finds reasons to mistrust both traditions and thereby qualify the charge of cowardice that has shadowed Darius for more than two millennia His insights are penetrating and his mastery of the evidentiary record is unsurpassed Having deftly taken down much of the edifice supplied by the ancient accounts of Darius Briant finally turns architect and shows us how the rebuilding might begin James Romm The Wall Street Journal Briant's work as always is a significant contribution to Achaemenid studies

a display of historiographical learnedness whose methods can benefit historians across ancient studies Jennifer Finn Bryn Mawr Classical Review **Into Shadow** Jane Shoup, 2013-04-16 How many lives can be destroyed by one man's quest for revenge A good number when that man is power hungry self proclaimed king Denyson Folworth As suspicion mounts that he had his father murdered circumstances change control slips and pressure builds Folworth who knows he must change public perception in order to remain in control will stop at nothing to eliminate his adversaries especially the renowned assassins known as Forzenay's Five Forzenay and the others have no intention of allowing Folworth to dictate their paths but that becomes increasingly difficult as their identities are exposed and a campaign of vicious propaganda gains momentum Drastic change seems mandated and difficult choices become the order of the day but in a deadly game of vengeance not everyone can or will survive **The Candle Beach Collection: Books 1-3** Nicole Ellis, 2018-03-09 This collection includes the first three books in the Candle Beach series Sweet Beginnings Sweet Success and Sweet Promises Sweet Beginnings A failing bookstore A crumbling house This inheritance was the not so promising reason for Dahlia's return to the small town of Candle Beach Washington With a nasty trustee who is determined to keep her from succeeding and Garrett a handsome neighbor who challenges her at every step she doesn't expect to have a future there However the town grows on her and she sees transformations in herself that she didn't expect With her childhood friends wanting her to stay and a developing attraction to Garrett could Aunt Ruth's bequest be the key to Dahlia's happily ever after Sweet Success An instant connection that can weather any storm until their dreams collide When Gretchen Roberts graduated from college she planned a brief stay in her hometown of Candle Beach Ten years later she's still working for her parents and wondering how her life got so off track Luckily she's got a plan for the future which hinges on being hired for the lead sales job at a luxury housing development south of town With a referral from her best friend Maggie she's a shoo-in for the job But there's one little snag Parker Gray grew up knowing he'd work for his parents' real estate firm in nearby Haven Shores What he didn't expect was that he'd be in constant competition with his older brother He's got to get out of there before he loses his mind and the sales position at Oceanview Estates seems like a perfect way of reaching that goal Gretchen and Parker meet by chance and are instantly attracted to each other until they find out they're both after the same job Who will win the coveted position And when the dust settles will they still want each other Sweet Promises A promise between brothers A secret that threatens to tear a budding romance apart Maggie Price is resilient After her husband died leaving her a young widow with an infant son she returned home to Candle Beach to create a new future for them by purchasing the Bluebonnet Cafe She loves her life but something feels like it's missing Jake Price promised his younger brother he'd take care of his wife and child if something happened to him while deployed overseas Now five years after his brother's death Jake vows to fulfill that promise and take care of Maggie and her son Alex Maggie tries to fight her attraction to Jake but he knocks down her resistance and they fall in love Will she still feel the same if she knows the real reason he's in Candle Beach Candle Beach novels are clean and sweet

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1974 *The Seduction of Pessimism in the Novel* Tom Ribitzky,2024-10-18 *The Seduction of Pessimism in the Novel* Eros Failure and the Quarrel with Philosophy explores the novel as a response to the Platonic myth that narrates the rift at the core of our being Eros is supposedly the consolation for this rift but the history of the novel documents its expression as one of frustrated desires neuroses anxieties and cosmic doom As if repeating the trauma from that original split in Plato a split that also divides philosophy from literature the novel treats eros as a site of loss and grief from the medieval romances to Goethe Bront Proust Mann Woolf Lawrence and Nabokov The pessimism that emerges from this eros tells us something fundamental about who we are something that only the novel can say At a time when both education and leisure are increasingly ignoring the novel s imperative to sit with ambiguity complexity and contingency and as we are hurtling toward a bleak future of climate catastrophe and political instability the novel is one of the last bastions of humanity even as it is quickly being eroded **In**

Twilight's Shadow Patti O'Shea,2008-06-03 Something Wicked Maia Frasier thought she d escaped the world of troubleshooters and demons when she d ceded her magical powers years earlier Now a wounded enforcer has turned up in her home claiming Maia s sister is in danger Creed Blackwood needs Maia s help to hunt the demon he s after especially since he s hiding the fact that his powers are becoming erratic And then there are the blackouts Maia soon begins to fear Creed has fallen to the dark forces himself and with his strong magic that makes him as dangerous to her and her sister as any demon could be At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Encyclopedia of Ancient Natural Scientists Paul T. Keyser,Georgia L. Irby-Massie,2008-11-19 The Encyclopedia of Ancient Natural Scientists is the first comprehensive English language work to provide a survey of all ancient natural science from its beginnings through the end of Late Antiquity A team of over 100 of the world s experts in the field have compiled this Encyclopedia including entries which are not mentioned in any other reference work resulting in a unique and hugely ambitious resource which will prove indispensable for anyone seeking the details of the history of ancient science Additional features include a Glossary Gazetteer and Time Line The Glossary explains many Greek or Latin terms difficult to translate whilst the Gazetteer describes the many locales from which scientists came The Time Line shows the rapid rise in the practice of science in the 5th century BCE and rapid decline after Hadrian due to the centralization of Roman power with consequent loss of a context within which science could flourish **Catalogue of Title-entries of**
