Operating in Emerging Markets Luciano Ciravegna, Robert Fitzgerald, Sumit Kundu, Sumit K. Kundu, 2013 Master a complete roadmap for emerging market business success and profitability Emerging markets are generating unprecedented opportunities but they are far more complex and risky than they may seem Profiting in these markets entails retooling business models products and strategies to exploit these differences instead of falling victim to them Too many American European and Japanese companies continue to operate with a developed world mentality that seeks to merely adapt existing products and strategies while underestimating the unique challenges of managing a business in radically different contexts Operating in Emerging Markets draws from real life examples and today's most valuable research to offer a step by step blueprint for improving profitability in emerging markets Pioneering researchers Dr Luciano Ciravegna and Dr Robert Fitzgerald walk you through understanding the true risks and challenges identifying and investing the right resources developing the right strategies products and processes and learning from both the successes and failures that have come before you An indispensable resource for all decision makers in companies that are or plan to operating in emerging markets and for all graduate business students who may do so in the future Publications devoted to rapidly transforming economies are on the rise but the contribution is often marginal This new book Operating in Emerging Markets authored by Luciano Ciravegna Robert Fitzgerald and Sumit Kundu is an exception It provides valuable insights into what makes these economies grow and prosper Most importantly it responds to the need for practical approaches to tapping emerging markets Thus it should assist current and future managers in navigating these high potential but high risk countries S Tamer Cavusgil Callaway Professorial Chair and Executive Director CIBER J Mack Robinson College of Business Georgia State University
