Firmware Update Instruction Manual

This manual will guide you to perform the FV TouchCam™ N1 firmware update procedures. It is important that you follow the supplied instructions; failure to follow all of the steps may result in damage to your webcam.

Before you start...

1. Please make sure of performing the below required actions:
 - a. The power supply is connected to your computer throughout the update process.
 - b. The FV TouchCam™ N1 is plugged into your USB port and will not be unplugged until instructed to do so.
 - c. Temporarily disable the anti-virus software to avoid any interruption.
2. It is advised to put the webcam on a stable platform (such as table) during the update, and not to touch the mouse or keyboard once the update starts to avoid accidental launch of an application or other process.
3. We suggest closing any background process that may disrupt the Updater process.
4. Any problems during firmware update, please contact faceV sion™ support for further assistance. www.facevsion.com/support
