The Saturday Review of Politics, Literature, Science and Art ,1876 Global Crisis Geoffrey Parker,2020-08-11 The acclaimed historian demonstrates a link between climate change and social unrest across the globe during the mid 17th century Revolutions droughts famines invasions wars regicides government collapses the calamities of the mid seventeenth century were unprecedented in both frequency and severity The effects of what historians call the General Crisis extended from England to Japan and from the Russian Empire to sub Saharan Africa and the Americas In this meticulously researched volume historian Geoffrey Parker presents the firsthand testimony of men and women who experienced the many political economic and social crises that occurred between 1618 to the late 1680s He also incorporates the scientific evidence of climate change during this period into the narrative offering a strikingly new understanding of the General Crisis Changes in weather patterns especially longer winters and cooler and wetter summers disrupted growing seasons and destroyed harvests This in turn brought hunger malnutrition and disease and as material conditions worsened wars rebellions and revolutions rocked the world *The Australasian Engineer* ,1957 **The Irish parliament, 1613-89** Coleman A. Dennehy,2019-05-16 The Irish parliament was both the scene of frequent political battles and an important administrative and legal element of the state machinery of early modern Ireland This institutional study looks at how parliament dispatched its business on a day to day basis It takes in major areas of responsibility such as creating law delivering justice conversing with the executive and administering parliamentary privilege Its ultimate aim is to present the Irish parliament as one of many such representative assemblies emerging from the feudal state and into the modern world with a changing set of responsibilities that would inevitably transform the institution and how it saw both itself and the other political assemblies of the day **Farmer's Weekly** ,1924 **Harpers Weekly** ,1865 **Athenaeum and Literary Chronicle** ,1872 South Tipperary, 1570-1841 David J. Butler,2006 Exploring the interaction between Protestants and Catholics in South Tipperary from their earliest encounters in 1570 to after emancipation in 1841 the author also discusses Protestant political strategies to dominate the Catholic majority and the Catholic methods of undermining and resisting this hegemony *Disraelian Conservatism and Social Reform* Paul Smith,1967 In the evolution of the Conservative party the period between 1866 and 1880 marks a critical stage It is in these years that Disraeli is often held to have founded modern Conservatism by adapting the party to the necessity of broadening the franchise and promoting the interests of the new working class electors to the forefront of politics Yet the party hardly became deeply imbued with Disraelian ideas and the vital current in its development seems to have been rather its growing understanding with the urban bourgeoisie than any rapprochement with the urban working classes The book discusses the party's course of evolution in its Disraelian period by focusing on a central theme of Disraelian Conservatism social reform Dr Smith examines the role given to social reform in Conservative strategy and the

attitudes adopted by the party towards the social problems most important to the condition of the working classes education public health housing labour questions the drink traffic and poor relief Finally he gauges how far the party was affected by Disraelian ideas of popular appeal on the basis of social improvement and how far its outlook and character were being shaped in other moulds **Forthcoming Books** Rose Arny, 1989-09
