

“

Heavenly Father,
Surround those who are
graduating with your grace.
Bless them with hope so that
they move into the future with
eager and open hearts. Help
them to put the knowledge, skills,
and insights gained through their
education for the good of all
mankind. Inspire them to believe
in the goodness of life even
when faced with challenges and
difficulties. As they commence
with their lives, may they grow
even more grateful and wise.
Amen.”

Lehman, 2025-05-15 The Candleberry Tales is a collection of humorous and often fanciful modern day parables told by a group of pastors heading to a Georgia mountain retreat center In the tales readers will meet a mouse who is a theologian a sect that communicates with outsiders by quoting the King James Bible a brave young girl who challenges her town's leaders and other memorable characters These tales illustrate important themes from the Gospels and will challenge various aspects of the modern practice of Christianity using humor instead of polemical critiques The men women children and mice in The Candleberry Tales are family members employees clergy churchgoers and academics they engage their faith not in isolation but among the people they encounter Likewise Gospel parables are never about lone rangers They are about messy encounters between people And in the case of The Candleberry Tales encounters can be very messy indeed Whether readers are new to faith a longtime pilgrim or have become wholly disengaged this book can offer a fresh look at the Gospels and make audiences laugh at the same time **Palabras Pastorales para Ocasiones Especiales** Edited by Eduardo Rivera, 2005 **Library of Congress Subject Headings** Library of Congress, Library of Congress. Division,1980 **Prophetic Liturgy** Tércio Junker,2014-02-07 The primary purpose of Prophetic Liturgy is to inquire into the prophetic dimension of the liturgy Some questions addressed in the book are How can a liturgy be prophetic How can liturgy form and transform individuals and communities In which sense does the liturgy facilitate a living participation in socio political economic life How does the sacramental practice challenge the church to mediate God s gifts of grace love justice and mercy to the world Possible answers for these questions begin to emerge as we develop an understanding of religious praxis as an active and dynamic prophetic action in which the community of faith claims its identity promotes an engaged faithful Christian life and affirms the sacramental life of the church as a source of formation and inspiration for prophetic praxis mediating God s gift for the life of the world There is risk in presenting an option for prophetic praxis in that it may go beyond the comfort zone of a community and engender spiritual and political alienation The most challenging ethical hope of this book is to provide the worshipping community with prophetic awareness of socio economic injustice while at the same time preserving the community s historical cultural identity its religious values and its sacramental spirituality
