

Emergency Department Coding Policy

Emergency department (ED) physicians often perform acute strategies, procedures, and tests right when a patient is in the ED waiting to be seen. The ED physician is responsible for submitting charges for the services performed in the ED. The ED physician will be responsible for all other acute services performed in the ED, including but not limited to: urgent interventions, testing, procedures, and tests. Many times, tests are not performed in the ED, but are performed in the hospital. The ED physician will submit charges for the services performed in the ED, including but not limited to: urgent interventions, testing, procedures, and tests.

Patients who are admitted to the hospital, and then discharged, will be billed for the services performed in the ED.
