Silk Road to Belt Road Md. Nazrul Islam, 2018-11-30 This volume approaches China's Belt and Road Initiative as a process of culturalization one that started with the Silk Road and continued over the millennium In mainstream literature the Belt and Road Initiative BRI has been portrayed as the geo economic vision and geo political ambition of China's current leaders intended to shape the future of the world However this volume argues that although geo politics and geo economy may play their part the BRI more importantly creates a venue for the meeting of

cultures by promoting people to people interaction and exchange This volume explores the journey from the Silk Road to Belt Road by analyzing topics ranging from history to religion from language to culture and from environment to health As such scholars academics researchers undergraduate and graduate students from the Humanities Social Sciences and Business will find an alternative approach to the Belt and Road Initiative
