*English Grammar Practice Tests* Jacqueline Melvin, 2015-08-28 English Practice Tests have been exclusively designed for ESL students. The tests cover a large part of the grammar needed to pass exams from elementary to intermediate level such as KET, PET and First Certificate. There is a wide selection of multiple choice questions and repetitive exercises to reinforce each grammar point. Answers are given at the end of each exercise and in some cases where a specific grammar point proves to be tricky, the author has included notes for guidance.

**Complete English Grammar For Exam Purposes** Ulku Kucukakin, 2021-08-15 This book has been written with one principle in mind: Simplicity and clarity. Countless grammar books have so far been written for exam preparation purposes. Almost all of these books have one thing in common: as much information as possible crammed into the pages of the book and the topics not being covered in the order of importance. This leads to serious confusion for the exam takers in their preparation process since they cannot know what parts to learn and feel overwhelmed due to the density of the material to be learned. Like I said above, this book has been written with one principle in mind: simplicity and clarity. You will see that you will have really high scores from English grammar exams thanks to this reader-friendly and easy-to-follow book.
