Time Management Skills Thomas Eriksson,2015-08-18 Get Your Things In Life Done Now Time is the twister of a lifetime Time can help you to succeed just as well as it can make you lag

behind It is all about how a person manages their time in all areas of one's life Learning time management skills is an essential skill in this fast paced world Right from school teachers press the students to finish their class work on time at University the assignments should be finished on time as well and later on the boss demands the employees to finish their tasks on time too In social lives one can also feel the importance of time Whether it is at work or in your personal life you need to manage your time to have balance Most people feel stressed about time at some point or another this is costly to the company and could even be costly to one's health yet some of us do not take the time to improve the situation Time management is the act or process of planning and exercising conscious control over the amount of time spent on specific activities especially to increase efficiency Time management may be aided by a range of skills tools and techniques used to manage time when accomplishing specific tasks projects and goals complying with a due date Initially time management referred to just business or work activities but eventually the term broadened to include personal activities as well A time management system is a designed combination of processes tools techniques and methods Time management is usually a necessity in any project development as it determines the project completion time and scope effectiveness efficiency or productivity The notion of time management was initially used in business related area but in time the term started to also be used for personal activities People started to be interested on it when they felt the need to be more organized and more productive It all happens when you start working all day long and at the end you wonder why you haven't accomplished much What time management challenges do you face in your personal life Why What would need to happen for you to feel in control of your time
