Whether it was his amusing drawings to amuse classmates recording million selling hits with the Beatles or making avant garde with Yoko Ono John Lennon never stopped being a creator and Doggett explores his vivid imagination across many different Lennon projects spanning many years and creative forms **Intersecting Boundaries** Lois More Overbeck,1992

Utopia Limited Marianne DeKoven,2004-05-10 The end of the modern and the emergence of the postmodern in 1960s philosophy literature and popular culture *The Words and Music of John Lennon* Ben Urish,Ken Bielen,2007-06-30 Despite John Lennon s immense popularity little attention has been paid to his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon s artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Despite John Lennon s immense popularity little attention has been paid to the overall efforts of his work apart from the Beatles Yet his solo artistry not only illuminates what he gave to the Beatles and what the Beatles experience gave to him but also constitutes a significant contribution to popular music in general Lennon was able to fuse experiments in technology instrumentation lyrics and musical form into recordings that were both artistically and commercially successful Whether expressing emotions explaining philosophies protesting social situations or ruminating on the joys and pains of personal entanglements few singer songwriters have been his equal In this long overdue investigation authors Ben Urish and Ken Bielen give Lennon s artistry the opportunity to speak for itself After a brief biographical introduction chronologically arranged chapters discuss his incredible body of work album by album and single by single A discography and annotated bibliography conclude the book Although he is often lauded as a spokesperson for his generation this praise however intended is far too limiting Lennon was able to transform the intensely personal into the deeply universal as well as the reverse often with humor and pointed insight At their core his songs are simultaneously humanistic and transcendent And as such they and he continue to be relevant and will certainly remain a valuable part of our cultural heritage for a long time to come **Can't Buy Me Love** Jonathan Gould,2007-10-02 That the Beatles were an unprecedented phenomenon is a given In Can t Buy Me Love Jonathan Gould explains why placing the Fab Four in the broad and tumultuous panorama of their time and place rooting their story in the social context that girded both their rise and their demise Nearly twenty years in the making Can t Buy Me Love is a masterful work of group biography cultural history and musical criticism Beginning with their adolescence in Liverpool Gould describes the seminal influences from Elvis Presley and Chuck Berry to The Goon Show and Alice s Adventures in Wonderland that shaped the Beatles both as individuals and as a group In addition to chronicling their growth as singers songwriters and instrumentalists he highlights the advances in

recording technology that made their sound both possible and unique as well as the developments in television and radio that lent an explosive force to their popular success With a musician's ear Gould sensitively evokes the timeless appeal of the Lennon McCartney collaboration and their emergence as one of the most creative and significant songwriting teams in history Behind the scenes Gould explores the pivotal roles played by manager Brian Epstein and producer George Martin credits the influence on the Beatles' music of contemporaries like Bob Dylan Brian Wilson and Ravi Shankar and traces the gradual escalation of the fractious internal rivalries that led to the group's breakup after their final masterpiece Abbey Road Most significantly by chronicling their revolutionary impact on popular culture during the 1960s Can't Buy Me Love illuminates the Beatles as a charismatic phenomenon of international proportions whose anarchic energy and unexpected import was derived from the historic shifts in fortune that transformed the relationship between Britain and America in the decades after World War II From the Beats in America and the Angry Young Men in England to the shadow of the Profumo Affair and JFK's assassination Gould captures the pulse of a time that made the Beatles possible and even necessary As seen through the prism of the Beatles and their music an entire generation's experience comes astonishingly to life Beautifully written consistently insightful and utterly original Can't Buy Me Love is a landmark work about the Beatles Britain and America **Shout!** Philip Norman, 2011-05-17 Updated to include Paul McCartney's knighting and the deaths of John Lennon and George Harrison Philip Norman's biography of the Beatles is the definitive work on the world's most influential band a beautifully written account of their lives their music and their times Now brought completely up to date this epic tale charts the rise of four scruffy Liverpool lads from their wild often comical early days to the astonishing heights of Beatlemania from the chaos of Apple and the collapse of hippy idealism to the band's acrimonious split It also describes their struggle to escape the smothering Beatles legacy and the tragic deaths of John Lennon and George Harrison Witty insightful and moving Shout is essential reading not just for Beatles fans but for anyone with an interest in pop music [Encyclopedia of Beat Literature](#) Kurt Hemmer, 2010-05-12 Discusses the literary works and great authors of the Beat Generation

[History with the Beatles](#) Bradford E. Loker, 2009 Do you want to stir up some fond memories of the 1960s and The Beatles Whether you've experienced this phenomenal period known as the 60s first hand or not this book called History with the Beatles will cast your mind back into the past and take you on a Magical Mystery Tour through the highlights of world history intertwined with the highlights of Beatles history between the period of 1960-1971 including relevant tidbits facts fads statistics trends personalities winners losers etc that defined those given years This in depth 390 page chronological timeline book is a new and different attempt to unravel the Beatles story with the added dimension of world history also included in order to reflect what was happening in the 60s world history as the Beatles were making their own history This book is extremely interesting in this regard alone The Beatles soared to unbelievable heights against incredible odds and then somehow just as they reached their peak they seemed to come apart at the wheels Why How When This book attempts

to let the actual facts and events of the Beatles as they happened in actual history help answer some of these questions and more as the reader re visits some of the most incredible historical events of the 60 s including the Bay of Pigs Vietnam War putting a man on the moon for the first time the JFK MLK and RFK assassinations race riots Cold War Civil Rights Act Woodstock campus unrest the Kent State tragedy etc History cannot be complete without the Beatles and the Beatles story cannot be complete without history This is an in depth look at both A must have book for any Beatlemaniac BRADFORD E BUSTER LOKER was born in Cut Off Louisiana on April 21 1964 His lifelong passion as a Beatlemaniac is only exceeded by his love for God his wife Bonnie and beautiful children Madison Matthew and Miles They currently live in Thibodaux Louisiana He has been an appraiser of real estate for the past 25 years This is his first book **The Beatles Encyclopedia** Kenneth Womack,2014-06-30 A fascinating look at the history of the Beatles from their formative years through the present day as detailed in hundreds of entries chock full of information never before shared with the public The Beatles have sold at least 2 3 billion albums achieved 6 Diamond 24 Multi Platinum 39 Platinum and 45 Gold albums in the United States alone and continue to experience impressive commercial success now more than at any other time What is it about this iconic group which continues to draw attention from each successive generation even more than 40 years after their disbandment The Beatles Encyclopedia Everything Fab Four provides casual fans and aficionados alike with a comprehensive study of the historical cultural and musical influence of the Beatles providing hundreds of insightful entries that address the people places events and other details that have contributed to the band s status as a global phenomena John Lennon Imagined Janne Mäkelä,2004 Considered one of the most innovative artists in the history of popular music John Lennon is also a fascinating example of the relationship between rock music and celebrity Through investigation of the cultural and historical background of his stardom in England and the United States this book explores why John Lennon became a much debated celebrity and why he remains so Lennon s career from the 1960s until his tragic death in 1980 and even beyond demonstrates how different expectations articulated by the star the music industry the media and the fans form relations which change in terms of time and place Using a multidisciplinary approach and intriguing case studies this book also examines cultural identity authenticity and gender in popular music stardom
