Lev And Sonya The Story Of The Tolstoy Marriage:

Lev and Sonya Louise Smoluchowski, graf Leo Tolstoy, 1987 *Story of the Tolstoy Marriage* *Lev and Sonya* Louise Smoluchowski, graf Leo Tolstoy, 1987 *Story of the Tolstoy Marriage* *Tolstoy's Quest for God* Daniel Rancour-Laferriere, 2017-07-28 The religious dimension of Tolstoy's life is usually associated with his later years following his renunciation of art. In this volume Daniel Rancour Laferriere demonstrates instead that Tolstoy was preoccupied with a quest for God throughout all of his adult life. Although renowned as the author of *War and Peace*, *Anna Karenina*, *The Death of Ivan Ilych* and other literary works and for his activism on behalf of the poor and the downtrodden of Russia, Tolstoy himself was concerned primarily with achieving personal union with God. Tolstoy suffered from periodic bouts of depression which brought his creative life to a standstill and which intensified his need to find comfort in the embrace of a personal God. At times he was in such psychic pain he wanted to die. Yet Tolstoy felt that he deserved to suffer and he learned to welcome suffering in masochistic fashion. Rancour Laferriere locates the psychological underpinnings of Tolstoy's suffering in a bipolar illness that led him actively to seek suffering and self humiliation in the Russian tradition of holy foolishness. With voluntary suffering and Jesus Christ as his model, Tolstoy advocated nonresistance to evil and in his daily life he strove never to return evil actions or words with physical or verbal resistance. On the other hand, being bipolar, Tolstoy in some situations would drift in a manic direction indulging in delusions of grandeur. Indeed, the aging Tolstoy occasionally went so far as to equate himself with God as can be seen from his diaries and personal correspondence. The pantheistic world view which Tolstoy achieved at the end of his life meant that God was within himself and within all people and all things in the entire universe. By this time Tolstoy was also utilizing images of a mother to represent his God. With this essentially maternal God so conveniently available, there was nowhere Tolstoy could be without Her. For in the end, Tolstoy's quest for God was a **Women and Gender in Central and Eastern Europe, Russia, and Eurasia** Mary Zirin, Irina Livezeanu, Christine D. Worobec, June Pachuta Farris, 2015-03-26 This is the first comprehensive multidisciplinary and multilingual bibliography on Women and Gender in East Central Europe and the Balkans Vol 1 and The Lands of the Former Soviet Union Vol 2 over the past millennium. The coverage encompasses the relevant territories of the Russian Hapsburg and Ottoman empires, Germany and Greece and the Jewish and Roma diasporas. Topics range from legal status and marital customs to economic participation and gender roles, plus unparalleled documentation of women writers and artists and autobiographical works of all kinds. The volumes include approximately 30,000 bibliographic entries on works published through the end of 2000 as well as web sites and unpublished dissertations. Many of the individual entries are annotated with brief descriptions of major works and the tables of contents for collections and anthologies. The entries are cross referenced and each volume includes indexes.

Tolstoy's Family Prototypes in "War and Peace" Brett Cooke, 2020-11-24 What were the consequences of Tolstoy's unusual reliance on members of his family as source material for *War and Peace*? Did affection for close relatives influence

depictions of these real prototypes in his fictional characters Tolstoy used these models to consider his origins to ponder alternative family histories and to critique himself Comparison of the novel and its fascinating drafts with the writer's family history reveals increasing preferential treatment of those with greater relatedness to him kin altruism i.e. nepotism This pattern helps explain many of Tolstoy's choices amongst plot variants he considered as well as some of the curious devices he utilizes to get readers to share his biases such as coincidences notions of fate and aversion to incest **The Kreutzer**

Sonata and Other Stories Leo Tolstoy, 1985-09-26 The Kreutzer Sonata is the self-lacerating confession of a man consumed by sexual jealousy and eaten up by shame and eventually driven to murder his wife The story caused a sensation when it first appeared and Tolstoy's wife was appalled that he had drawn on their own experiences together to create a scathing indictment of marriage The Devil centring on a young man torn between his passion for a peasant girl and his respectable life with his loving wife also illustrates the impossibility of pure love The Forged Coupon shows how an act of corruption can spiral out of control and After the Ball examines the abuse of power Written during a time of spiritual crisis in Tolstoy's life these late stories reflect a world of moral uncertainties **The Biography Book** Daniel S. literary assistant translator transcriber and editor she played an important role in the development of her husband's career. Her memoirs which she entitled *My Life* lay dormant for almost a century. Now the book's first time ever appearance in Russia is complemented by an unabridged and annotated English translation. Tolstaya paints an intimate and honest portrait of her husband's character setting forth new details about his life to which she alone was privy. She describes her extensive correspondence with many prominent figures in Russian and Western society making *My Life* a unique account of late 19th and early 20th century Russia with its cast of characters ranging from peasants to the Tsar himself. Her engaging narrative reveals not only her significant contributions to her husband's work but also her considerable talent as an author in her own right.

BOOK JACKET **Pierre Bourdieu and Cultural Theory** Bridget Fowler, 1997-04-08 This is the first comprehensive description of Pierre Bourdieu's theory of culture and habitus. Within the wider intellectual context of Bourdieu's work this book provides a systematic reading of his assessment of the role of cultural capital in the production and consumption of symbolic goods. Bridget Fowler outlines the key critical debates that inform Bourdieu's work. She introduces his recent treatment of the rules of art, explains the importance of his concept of capital (economic and social, symbolic and cultural) and defines such key terms as habitus, practice and strategy, legitimate culture, popular art and distinction. The book focuses particularly on Bourdieu's account of the nature of capital.

Sofia Tolstaya, the Author, 2021-11-09 Dealing with the most topical questions of the time, Sofia Tolstaya's artistic works from parables to short stories, novellas and memoirs show deep insights into the social context of nineteenth century Russia. In his lengthy review of *My Life* along with other Tolstaya publications in *Canadian Slavonic Papers*, the eminent Tolstoy scholar Hugh McLean (2011) laments the fact that it has taken so long, almost a century after her death, to focus academic attention on Sofia Tolstaya and that there has been no unified publication of her works scattered as they are among dated journals or not published at all. This book aims to help fill this lacuna by offering a critical introduction to her literary output as a writer in her own right and presenting for the first time an anthology of her main artistic works, some in fresh English translation and others never translated before.

Slavic Sins of the Flesh Ronald D. LeBlanc, 2012-07-03 A pathbreaking gastrocritical approach to the poetics of Dostoevsky, Tolstoy and their contemporaries.

Tolstoy on the Couch Daniel Rancour-Laferrriere, 1998-07-08 In his 1889 novella *The Kreutzer Sonata*, Lev Tolstoy declared war on human sexuality. Having fathered thirteen children by his wife and at least two children by peasant women, the great Russian writer now has the arrogance to suggest that people should stop having children. Psychoanalysis of Tolstoy's diaries and other private materials reveals that Tolstoy's anti-sex position was grounded in a sadistic attitude towards women, including his wife Sonia, and a punishing masochistic attitude towards himself. These feelings in turn were related to the trauma of maternal loss in Tolstoy's early childhood.
