

A detailed illustration of a construction site. In the foreground, a large, complex piece of machinery, possibly a crane or a large drill, is shown in a dark, industrial style. The background features a tall, skeletal metal structure under construction, with several workers wearing hard hats and work clothes standing on a platform. The overall scene is rendered in a classic, somewhat grainy style with a muted color palette of blues, greys, and browns.

Estructuras. Hormigón armado Jorge Bernal, 2021-06-01 Este trabajo es una actualización del libro Introducción a las Estructuras editado hace más de veinte años. Fue un tiempo suficiente para un libro técnico. En esas décadas se han modificado varios principios y teorías de las ciencias de la construcción también las técnicas y las tecnologías utilizadas para la realización de las obras. Para completar este nuevo escenario han surgido nuevos materiales y otros mejoraron sus cualidades. Por todo ello hemos realizado una revisión del libro original para adaptarlo al actual estado de las ciencias y tecnologías que componen la disciplina de la construcción de los edificios.
