

ESSENTIAL TEACHING SKILLS

CHRIS KYRIACOU FOURTH EDITION

In this classic introduction to education, Chris Kyriacou provides constructive and authoritative guidance on the nitty-gritty of teaching — what teachers need to do to manage pupils in the classroom and to develop their learning.

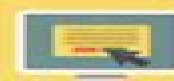

This new edition provides extended treatment of key developments within the profession, including:

- positive teaching and its contribution to behaviour management;
- inclusive teaching;
- assessment for learning;
- teachers' self-management — to use their time efficiently and to reduce stress.

References to research and suggestions for further reading have been fully updated.

Essential Teaching Skills remains an indispensable resource for developing professional and pedagogic skills.

Chris Kyriacou is Professor in Psychology at the University of York.
