**On the Origin of Superheroes** Chris Gavalier, 2015-11-01 Most readers think that superheroes

began with Superman's appearance in Action Comics No 1 but that Kryptonian rocket didn't just drop out of the sky. By the time Superman's creators were born the superhero's most defining elements: secret identities, aliases, disguises, signature symbols, traumatic origin stories, extraordinary powers, self-sacrificing altruism, were already well-rehearsed standards. Superheroes have a sprawling action-packed history that predates the Man of Steel by decades and even centuries. On the Origin of Superheroes is a quirky personal tour of the mythology, literature, philosophy, history, and grand swirl of ideas that have permeated western culture in the centuries leading up to the first appearance of superheroes as we know them today in 1938. From the creation of the universe through mythological heroes and gods to folklore, ancient philosophy, revolutionary manifestos, discarded scientific theories, and gothic monsters, the sweep and scale of the superhero's origin story is truly epic. We will travel from Jane Austen's Bath to Edgar Rice Burroughs's Mars to Owen Wister's Wyoming with some surprising stops along the way. We'll meet mad scientists, Napoleonic dictators, costumed murderers, diabolical madmen, blackmailers, pirates, Wild West outlaws, eugenicists, the KKK, Victorian do-gooders, detectives, aliens, vampires, and pulp vigilantes to name just a few. Chris Gavalier is your tour guide through this fascinating, sometimes dark, often funny, but always surprising prehistory of the most popular figure in pop culture today. In a way, superheroes have always been with us; they are a fossil record of our greatest aspirations and our worst fears and failings. *Good and Evil* Michael Pearl, Danny Bulanadi, 2007-10

Chapters of our popular book *Good and Evil* have been colorized and printed in smaller 28-page comic books. Kids will beg you for the next chapter. It covers from Abraham's journey to the birth of his son Isaac and grandson Ishmael. Available in English and Spanish for 2.99. **Imagining the Jewish God** Leonard Kaplan, Ken Koltun-Fromm, 2016-09-09 Jewish art has always been with us, but so has a broader canvas of Jewish imaginings in thought, in emotion, in text, and in ritual practice. Imagining the Jewish God was there in the beginning, as it were, engraved and embedded in the ways Jews lived and responded to their God. This book attempts to give voice to these diverse imaginings of the Jewish God and offers these collected essays and poems as a living text meant to provoke a substantive and nourishing dialogue. A responsive living covenant lies at the heart of this book, a covenantal reciprocity that actively engages the dynamics of Jewish thinking and acting in dialogue with God. The contributors to this volume are committed to this form of textual reasoning, even as they all move us beyond the text as foundational for the imagined people of the book. That people we submit lives and breathes in and beyond the texts of poetry, narrative, sacred literature, film, and graphic mediums. We imagine the Jewish people and the covenant they respond to as provocative intimations of the divine. The essays in this volume seek to draw these vocal intimations out so that we can all hear their resonant call. **Noiseless Steganography** Abdelrahman Desoky, 2016-04-19

Among the features that make *Noiseless Steganography: The Key to Covert Communications* a first of its kind: The first to comprehensively cover Linguistic Steganography, The first to comprehensively cover Graph Steganography, The first to comprehensively cover Game Steganography. Although the goal of steganography is to prevent adversaries from suspe

*Evangelical Christians and Popular Culture* Robert H. Woods Jr.,2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter
