

The Legacy of the Civil Rights Movement.

The most overt forms of racial discrimination came to an end
Racial violence declined immeasurably.

Today, African Americans can freely exercise their right to vote
Blacks were elected to public offices.

Millions of blacks have been lifted out of poverty as a result of the many economic opportunities created by the civil rights movement.

1965: Johnson Declared 'War on Poverty' - Federal money for new housing schemes and Headstart pre-schools in poor black communities.

Exec order 11375 - sanctions affirmative action policies for federal employment.

In 1972 Georgia Mannard Jackson, 1st black mayor of a southern city (Atlanta)

Despite these gains, the civil rights movement fell short on many counts, and the fight for equality is far from over.

Yet the black freedom struggle achieved something enduring: it profoundly changed people's attitudes and made the promise of America if not a reality, at least a possibility

Evidence which could be used to argue that the establishment of the Black Panther Party was relevant and justifiable:

- Black Panther Party was formed by Bobby Seale and Huey Newton
- Dealt with police brutality
- Established mainly for defence
- Patrol streets, monitor police activities and defend themselves by carrying guns (militant approach)
- To improve socio-economic position of African Americans
- 10 point plan to bring about radical change
- Initiated and supported community based programmes
- Ongoing police brutality and harassment of young urban black men in particular
- Black people lived in poverty
- Black Panthers believed that true liberation would only come through organising separately from whites

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
