Books on Women and Feminism, 2005 **Women and Disability** Mary Jo Deegan, Nancy A. Brooks, The special needs of women with disabilities have been disregarded in a wide variety of vital areas Issues pertain to women as wives and mothers Studies of the effects on female sexuality of such conditions as renal disease and diabetes are lacking though the sexual functioning of men with these diseases has been researched On the economic front the Federal State Vocational Rehabilitation system and the regulations concerning disability benefits under Social Security provide less adequately for women than for men Hopefully this volume will raise the consciousness of its readers to the special status of women with disabilities as a minority group experiences multiple sources of discriminations *Women on Their Own* Rudolph

Bell, Virginia Yans, 2010-06-08 Despite what would seem some apparent likenesses single men and single women are perceived in very different ways Bachelors are rarely considered lonely or aberrant They are not pitied Rather they are seen as having chosen to be footloose and fancy free to have sports cars boats and enjoy a series of unrestrictive relationships Single women however do not enjoy such an esteemed reputation Instead they have been viewed as abnormal neurotic or simply undesirable attitudes that result in part from the long standing belief that single women would not have chosen her life Even the single career woman is seldom viewed as enjoying the success she has achieved No one believes she is truly fulfilled Modern American culture has raised generations of women who believed that their true and most important role in society was to get married and have children Anything short of this role was considered abnormal unfulfilling and suspect This female stereotype has been exploited and perpetuated by some key films in the late 40 s and early 50 s But more recently we have seen a shift in the cultural view of the spinster The erosion of the traditional nuclear family as well as a larger range of acceptable life choices has caused our perceptions of unmarried women to change The film industry has reflected this shift with updated stereotypes that depict this cultural trend The shift in the way we perceive spinsters is the subject of current academic research which shows that a person s perception of particular societal roles influences the amount of stress or depression they experience when in that specific role Further although the way our culture perceives spinsters and the way the film industry portrays them may be evolving we still are still left with a negative stereotype Themes of choice and power have informed the lives of single women in all times and places When considered at all in a scholarly

context single women have often been portrayed as victims unhappily subjected to forces beyond their control This collection of essays about women on their own attempts to correct that bias by presenting a more complex view of single women in nineteenth and twentieth century United States and Europe Topics covered in this book include the complex and ambiguous roles that society assigns to widows and the greater social and financial independence that widows have often enjoyed widow culture after major wars the plight of homeless middle class single women during the Great Depression and comparative sociological studies of contemporary single women in the United States Britain Ireland and Cuba Composed of papers presented to the Rutgers Center for Historical Analysis project on single women this collection incorporates the work of specialists in anthropology art history history and sociology It is deeply connected with the emerging field of singleness studies to which the RCHA has contributed an Internet based bibliography of more than 800 items All of the essays are new and have not been previously published

Bodies of Modernism Maren Linett, 2016-12-05 Bodies of Modernism brings a new and exciting analytical lens to modernist literature that of critical disability studies The book offers new readings of canonical and noncanonical writers from both sides of the Atlantic including Flannery O'Connor Eudora Welty H.G. Wells D.H. Lawrence Elizabeth Bowen Henry Green Olive Moore Carson McCullers Tennessee Williams J.M. Synge Florence Barclay Virginia Woolf and James Joyce Through readings of this wide range of texts and with chapters focusing on mobility impairments deafness blindness and deformity the study reveals both modernism's skepticism about and dependence on fantasies of whole normal bodies

Between Worlds Cheryl G. Najarian, 2013-10-14 The purpose of this book is to illustrate the struggles of Deaf women as they negotiate their family educational and work lives This study demonstrates how these women resist and overcome the various obstacles that are put before them as well as how they work to negotiate their identities as Deaf women in the Deaf community hearing world and the places in between The scope of the book traces these women's lives in these three major sectors of their lives and provides a discussion of the implications for other linguistic minorities People Get Ready Kevin Meehan, 2010-11-12 Throughout this book Kevin Meehan offers historical and theoretical readings of Caribbean and African American interaction from the 1700s to the present By analyzing travel narratives histories creative collaborations and political exchanges he traces the development of African American Caribbean dialogue through the lives and works of four key individuals historian Arthur Schomburg writer archivist Zora Neale Hurston poet Jayne Cortez and politician Jean Bertrand Aristide People Get Ready examines how these influential figures have reevaluated popular culture revised the relationship between intellectuals and everyday people and transformed practices ranging from librarianship and anthropology to poetry and broadcast journalism This discourse Meehan notes is not free of contradictions and misunderstandings arise on both sides In addition to noting dialogues of unity People Get Ready focuses on instances of intellectual elitism sexism color prejudice imperialism national chauvinism and other forms of mutual disdain that continue to limit African American and Caribbean solidarity

THE LADIES COMPANION, *The Book of Gladness / Le Livre de Leesce* Jehan Le Fèvre, 2013-10-24 The Book of Gladness ca 1380 contains one of the most powerful original and influential pro-feminine voices of the late Middle Ages In a spirited riposte to the misogynist tradition Le Fèvre with the help of Gladness his lady persona boldly reinterprets the Bible while questioning ancient authorities in the light of true experience especially his own Despite its foundational importance this work has never been translated into English The present prose translation is lively and accessible yet thoroughly grounded in scholarship An Introduction explains the textual challenges hindering the full recognition of this classic up to now and elucidates its contribution to the medieval debate on the nature and status of women and marriage Also included is the first ever English translation and discussion of a newly discovered

scribal interpolation on Christine de Pizan in a manuscript of Jehan Le Fevre's Lamentations The bibliography provides the first complete list of manuscripts containing the French Lamentations and Le Livre de Leesece **A Legacy of Learning**

Alan Avery-Peck, Bruce D. Chilton, William Scott Green, Gary Porton, 2014-10-16 In a career spanning over fifty years the questions Jacob Neusner has asked and the critical methodologies he has developed have shaped the way scholars have come to approach the rabbinic literature as well as the diverse manifestations of Judaism from rabbinic times until the present The essays collected here honor that legacy illustrating an influence that is so pervasive that scholars today who engage in the critical study of Judaism and the history of religions more generally work in a laboratory that Professor Neusner created Addressing topics in ancient and Rabbinic Judaism the Judaic context of early Christianity American Judaism World Religions and the academic study of the humanities these essays demarcate the current state of Judaic and religious studies in the academy today **The Ladies' Cabinet of Fashion, Music & Romance** ,1867
