Knuffle Bunny Lesson Plans:

The Common Core Companion: Booster Lessons, Grades K-2 Janiel Wagstaff, 2015-09-02 You can find hundreds of literacy lessons in hundreds of places but none of them will do for students what the ones in this book do What s the magic bullet Potent integration Divided into five weeklong learning sequences the 50 lessons span the ELA standards bringing a Monday through Friday clarity to the sometimes mysterious process of skill building through demonstrations and practice Follow each sequence and week by week you ll build the instructional potency to help students achieve a year s worth of growth as you integrate Writing Narratives with Identifying Sensory Words in Text Research with Identifying Topic and Details Opinion Writing with Close Reading for Text Evidence Comparing and Contrasting with Publishing Using Digital Tools Informative Writing with Use of Text Features Each of the 50 lessons is eminently dippable But if you want to do more extended instructional planning there are lots of additional tools including lists of mentor texts and If Then and Extending the Work charts within the book and on the companion website www.corwin.com/commoncorecompanion The Common Core Companion Leslie Blauman, 2015 **No More "I'm Done!"** Jennifer Jacobson, 2023-10-10 Disregarding the false notion that writing instruction in the primary grades needs to be mostly teacher directed Jennifer Jacobson shows teachers how to develop a primary writer s workshop that helps nurture independent engaged writers No More I m Done demonstrates how to create a more productive engaging and rewarding writer s workshop Jennifer guides teachers from creating a supportive classroom environment through establishing effective routines shows teachers how to set up a writer s workshop and provides an entire year of developmentally appropriate mini lessons that build confidence and ultimately independence

Craft Moves Stacey Shubitz, 2023-10-10 How do you choose mentor texts for your students How do you mine them for the craft lessons you want your students to learn In *Craft Moves Lesson Sets for Teaching Writing with Mentor Texts* Stacey Shubitz co founder of the Two Writing Teachers website uses twenty recently published picture books to create more than 180 lessons to teach various craft moves that will help your students become better writers Each of the 184 lessons in the book includes a publisher s summary a rationale or explanation of the craft move demonstrated in the book and a procedure that takes teachers and students back into the mentor text to deepen their understanding of the selected craft move A step by step guide demonstrates how to analyze a picture book for multiple craft moves Shubitz introduces picture books as teaching tools and offers ways to integrate them into your curriculum and classroom discussions She then shares different routines and classroom procedures designed to help students focus on their writing during the writer s workshop as well as focusing how teachers can prepare for small group instruction Using picture books as mentor texts will help your students not only read as writers and write with joy but also become writers who can effectively communicate meaning structure their writing write with detail and give their writing their own unique voice Roots and Wings Stacey York, 2016-06-27 Use the updated activities examples and research to improve your anti bias and multicultural education programs This clear and practical

guide includes expanded information on English language learners family engagement culturally responsive teaching and staff training Stacey York teaches child development at Rochester Community and Technical College and established E LECT a collaborative effort between thirteen Minnesota community and technical colleges to provide e learning for early childhood teachers

Adult Learners Carl A. Harvey II, 2012-10-02 This practical guide clarifies why school librarians need to be part of the professional development process in their schools and shows just how to achieve that goal To remain gainfully employed today s school librarian has to be a leader in the school To that end Adult Learners Professional Development and the School Librarian encourages librarians to become instrumental in providing professional development to teachers and staff The book begins by explaining why librarians should participate in designing and presenting professional development then goes on to provide tips examples and a complete model for doing this based on system used at the author s school Readers will discover how to determine what is practical and how to turn ideas into actions whether they want to implement a major initiative or start with something small Most important this book details how to become part of the professional development team in ways that are both relevant and meaningful to the teachers and staff involved When these stakeholders understand what the librarian knows and how they can benefit the librarian s sphere of influence will be expanded and a job just might be saved

The Really Useful Drama Book Roger McDonald, 2017-07-14 The Really Useful Drama Book offers busy primary school teachers a collection of step by step drama sessions inspired by high quality picturebooks that will engage children and promote enjoyable learning across the curriculum Lively and thoughtful the interactive drama sessions are structured around a wide range of texts including wordless picturebooks postmodern picturebooks short stories well known texts by recognisable authors and some you may not have come across before all chosen for their power to foster curiosity The step by step sessions can also be adapted to incorporate your own ideas and passions allowing you to structure them for the topics you re exploring with your class Each session is structured around two texts and offers a guide to the drama strategies used teaching objectives ideas for writing opportunities problems emotions and challenges to explore and a clear guide to exploring each text Ten key themes are explored Suspense Prejudice Friendship Rhyme and rhythm War and conflict Nature Overcoming fear Possessions and obsessions Dreams Short stories With a focus on the crucial role of imagination in the classroom The Really Useful Drama Book helps reclaim a purposeful passionate pedagogy and shows teachers how drama can place children right at the heart of a story encouraging their desire to ask questions solve problems and search out new information

Making Schools Work Kathy Hirsh-Pasek, Roberta Michnick Golinkoff, Kimberly Nesbitt, Carol Lautenbach, Elias Blinkoff, Ginger Fifer, 2022 If we teach in the way that human brains learn both students and their teachers will thrive This book aligns evidence from the learning sciences on how and what students need to learn with classroom practice pre K 12 It demonstrates with hands on examples how a change in educational mindset rather than in curriculum can improve student outcomes on both standardized tests and a breadth of 21st century skills skills Written

collectively by classroom teachers administrators parents and learning scientists this book shows readers how to co construct and reimagine an optimal educational system Making Schools Work offers three case studies of schools including a statewide system that are all realizing a 6 Cs approach to learning focused on collaboration communication content critical thinking creative innovation and confidence The text documents the ever evolving implementation process as well as outcomes and the ongoing work of stakeholders Readers can use this resource to create an education for all children that is culturally responsive inclusive effective and fun Book Features Helps educators teach in the way that human minds learn Jointly written in accessible language by teachers administrators parents and learning scientists Offers hands on ways to reimagine classrooms without investing in new curricula Puts teachers in the driver s seat reminding them of why they teach Provides culturally responsive inclusive effective and fun strategies Offers children the possibility of learning the skills they will need for 21st century skills success Most of us agree that it is critical at this moment in time to reimagine what school could be This reimagination must be informed by the best available science and built on current educational wisdom found in our schools This book does just that and makes clear that more playful learning across the K 12 school system would be the most natural way to help all students learn the 21st century knowledge and skills they need in life From the Foreword by Pasi Sahlberg author of Finnish Lessons 3 0 What Can the World Learn from Educational Change in Finland and professor of education Southern Cross University Lismore Australia
