

Edge Level C
Unit 2
Cluster 1
“La Vida Robot”

1. Read the sentence from the article.

Though the Carl Hayden team didn’t know it, MIT had designed an innovative system of bladders and pumps to carry out this task.

Which word is most opposite in meaning of *innovative*?

- A. customary
- B. cutting-edge
- C. inventive
- D. breaking new ground

LA.910.1.6.8

The correct answer is **A**.

Options B, C, and D are incorrect because they represent correct meanings of the assessed word found within the excerpted text.

Definitions are from thefreedictionary.com in which *innovative* is defined as *being or producing something like nothing done or experienced or created before*. **Option A** is correct because customary is opposite in meaning to the assessed word. *Customary* is defined as *commonly practiced, used, or encountered; usual*. **Option B** is incorrect because cutting-edge is similar in meaning to the assessed word. *Cutting-edge* is defined as *the position of greatest advancement or importance; the forefront*. **Option C** is incorrect because inventive is similar in meaning to the assessed word. *Inventive* is defined as *creative*. **Option D** is incorrect because breaking new ground is similar in meaning to the assessed word. *Breaking new ground* is defined as *to initiate a new venture*.

2. Readers can learn many things from the map on page 138 EXCEPT

- F. The state with the most entries was the state of Florida.
- G. Carl Hayden High School from Phoenix, Arizona, was not the only high school that had a team enter the competition.
- H. All entries were from states that bordered large bodies of water—either lakes or oceans.
- I. Entries from the east coast probably had to raise more money for plane fare and to ship their robots to the competition.

LA.910.2.2.1

The correct answer is **I**.

Options F, G, and H are incorrect because they represent facts, details, or other information drawn from the text feature.

Option F is incorrect because it shows that Florida has 3 entries which is the most (California has 3 dots for two entries and to show the location of the competition). **Option G** is incorrect
