Against the People Bryan Evans, Carlo Fanelli, 2025-02-13T00:00:00Z The election of the Doug Ford led Progressive Conservatives unleashed an aggressive and undisguised market fundamentalism Ford s government has taken the assault against the social welfare state labour and environmental protections to new and unprecedented heights Maintaining a permanent era of austerity has not only steadily reduced the public sector as a proportion of the provincial economy but has also reduced the social protections available to Ontarians Ford s deregulatory

agenda has explicitly degraded the quality of social provisioning and eroded labour rights to the benefit of business From undermining the fiscal capacity to fund program expenditures adequately to reducing public sector employment and service levels Ford Nation has reordered an array of ministries and agencies to boost business and development in general and the resource extraction and investment sectors in particular Tens of billions have been put back into the pockets of the business community often directly out of public coffers Few ministries and programs have been left unscathed Most people have not benefited Against the People is the first book of its kind to provide an in depth look into the devastating policies of the Ford government across a wide range of public policy issues from health care municipal education and judicial restructuring to economics arts labour environmental housing and Indigenous lands Written by on the ground experts and focused on the Progressive Conservatives since coming to power in 2018 this book showcases the politics of dismantling a province
