

WHAT IS MESSAGE?

Message is a form of communication that conveys information or ideas from one person or entity to another.

It can be expressed in different ways, such as written text, oral speech, images, signals, or gestures.

The purpose of the message is to transmit specific content and can be informative, persuasive, emotional, or any combination thereof.

Messages play a crucial role in human interaction, whether in everyday conversations, advertising, media, or in the transmission of knowledge and culture.

The clarity and effectiveness of the message are fundamental for successful communication.
