Management of Unintended and Abnormal Pregnancy Maureen Paul, Steve Lichtenberg, Lynn Borgatta, David A. Grimes, Phillip G. Stubblefield, Mitchell D. Creinin, 2011-08-24 Access to high quality abortion care is essential to women s health as evidenced by the dramatic decrease in pregnancy related morbidity and mortality since the legalization of abortion in the United States and by high rates of maternal death and complications in those countries where abortion is still provided under unsafe conditions The past two decades have brought important advances in abortion care as well as increasing cross disciplinary use of abortion technologies in women s health care Abortion is an important option for pregnant women who have serious medical conditions or fetal abnormalities and fetal reduction techniques are now well integrated into infertility treatment to reduce the risks of multiple pregnancies resulting from assisted reproductive technologies Management of Unintended and Abnormal Pregnancy Comprehensive Abortion Care is the textbook of the National Abortion Federation and serves as the standard evidence based reference text in abortion care This state of the art textbook provides a comprehensive overview of the public health implications of unsafe abortion and reviews the best surgical and medical practices for pregnancy termination as well as managing ectopic and other abnormal pregnancies Management of Unintended and Abnormal Pregnancy Comprehensive Abortion Care is the leading source for a comprehensive understanding of issues related to unintended and abnormal pregnancy This textbook is authored by internationally known leaders in women s health care addresses unintended pregnancy and abortion from historical legal public health clinical and quality care perspectives includes chapters on pregnancy loss ectopic pregnancy gestational trophoblastic disease and multifetal pregnancy reduction covers treatment of pregnancies in the first and second trimester by both medical and surgical techniques and provides resources for clinical scientific and social support for the abortion provider and patient    *The Lancet* ,1914    **The Bookseller** ,1901 Vols for 1871 76 1913 14 include an extra number The Christmas bookseller separately paged and not included in the consecutive numbering of the regular series    **Acquisitions in Health Sciences Libraries** David Morse, 1996-12-30 The first resource to offer a comprehensive overview of acquisitions processes in health sciences libraries this volume addresses the basic ordering and receiving functions common to all types of libraries as well as the unique challenges of acquisitions work in the demanding health sciences environment Individual chapters cover monograph acquisitions serials acquisitions post acquisition serials control activities such as binding and maintenance of holding records

and acquisition of audiovisual and digital media The book describes both manual and automated methods but emphasis is placed on the growing functionality and affordability of automated systems even for smaller libraries The focus throughout is on the practical day to day work of the acquisitions process but attention is also devoted to the theoretical problem of redefining the acquisitions function in relation to other professional areas such as collection development and cataloging and to the changing role of libraries in the digital environment The book highlights the need for acquisitions librarians to embrace the world of digital information in all its technical complexity if they are to retain a useful and vital role in the library of the twenty first century      **Minutes of Evidence ... 1906-8** Transvaal (Colony).
