

Eagle Scout Recommendation Letter

To Whom It May Concern,

It is a source of great pride and joy to compose this Eagle Scout letter of recommendation my dear friend Mark Sheridan. I have known Mr. Sheridan for the past seven years, as he is a good friend of my nephew in school and we live in the same neighborhood.

Mr. Sheridan is a reputable, reliable and trustworthy person, as evidenced by the manner in which he lives his life. He carries out his daily activities diligently and with such honesty and takes pride in his work. He is known as a man of his word; a person of integrity. Mr. Sheridan is not one to turn his back on a neighbor in need.

I believe that he is an eligible candidate for an Eagle Scout since he lives his life in accordance with the principles set by the Eagle Scout.

Rest assured that the contents of this letter was kept strictly confidential and created for the eyes only of the members of the Eagle Scout Board of Review. Neither are the contents of the letter discussed with the candidate before or after the time that of completion.

Sincerely,

Mr. George Florsheim

Gill,2019-08-21 This book addresses the challenge of providing for the free exercise of religion without allowing religious exercise by some individuals and groups to impinge upon the conscientious convictions of others State neutrality toward religion is impossible because neutrality means inattention to religion for some but leveling the playing field through accommodations or exemptions for others Both formal and substantive neutrality have a place in addressing particular conflicts One such example is public funding for religiously affiliated social service programs for which neither type of neutrality is satisfactory and thus some restrictions are justifiable conversely private voluntary organizations that do not receive direct public funding should be allowed wide latitude regarding their practices This title also examines the expansive free exercise claims that are now made by those who argue that following the law impinges upon their beliefs as exemplified by the ministerial exception and the Hobby Lobby and Masterpiece Cakeshop Supreme Court cases It concludes by analyzing the relationship between neutrality and marriage as a civil status which impacts a variety of commitment types and plural marriage The Ultimate College Acceptance System Danny Ruderman,2007-04-01 Danny Ruderman has helped countless students successfully apply and get accepted to the colleges of their choice Now with his step by step comprehensive system he can help you too Like having a college guidance counselor by your side every step of the way The Ultimate College Acceptance System helps you to create a winning application The book includes information on Finding The BestSchool for You Including The Ivies Overlooked Schools Schools for Performing Arts Learning Disability Programs and Schools for Students without an A or B average Learning How to Increase Your Chances of Getting Accepted Including How to Get Organized How to Interview How to Beat Standardized Tests How to Know if You Should Apply Early and How to Appeal a Decision Completing the Application Including How to Fill Out the Common Application How to Write the Big Essay How to Compose Smaller Paragraph Essays How to Create a Personal Resume How to Get Strong Letters of Recommendation and How to Complete Financial Aid Forms

Our Frontier Is the World Mischa Honeck, 2018-05-15 Mischa Honeck's *Our Frontier Is the World* is a provocative account of how the Boy Scouts echoed and enabled American global expansion in the twentieth century. The Boy Scouts of America (BSA) has long been a standard bearer for national identity. The core values of the organization have since its founding in 1910 shaped what it means to be an American boy and man. As Honeck shows, those masculine values had implications that extended far beyond the borders of the United States. Writing the global back into the history of one of the country's largest youth organizations, *Our Frontier Is the World* details how the BSA operated as a vehicle of empire from the Progressive Era up to the countercultural moment of the 1960s. American boys and men wearing the Scout uniform never simply hiked local trails to citizenship; they forged ties with their international peers camped in foreign lands and started troops on overseas military bases. Scouts traveled to Africa and even sailed to icy Antarctica hoisting the American flag and standing as models of loyalty, obedience, and bravery. Through scouting, America's complex engagements with the world were presented as honorable and playful masculine adventures abroad. Innocent fun and earnest commitment to doing a good turn of course were not the whole story. Honeck argues that the good-natured Boy Scout was a ready means for soft power abroad and gentle influence where American values and democratic capitalism were at stake. In other instances, the BSA provided a pleasant cover for imperial interventions that required coercion and violence. At Scouting's global frontiers, the stern expression of empire often lurked behind the smile of a boy.

Worth Writing About Jake Wizner, 2023-10-10 Who am I? This is the question that many adolescents ask during the turbulent middle and high school years. In *Worth Writing About: Exploring Memoir with Adolescents*, Jake Wizner addresses how searching for the answer to this question leads his students to reflection, to reading, and ultimately to deeper, more meaningful writing. Wizner, a 20-year teaching veteran, believes that a well-designed memoir unit not only aligns with the Common Core State Standards but also forges community in the classroom, encourages kids to read nonfiction, and works wonders with students who struggle with their writing or with their lives. *Worth Writing About* addresses the most common challenges teachers face when teaching memoir writing: How do you help students who say that nothing interesting has happened in their lives? How do you help students balance what is meaningful with what is too personal to share? How do you help students overcome the "I don't remember" syndrome? Wizner delves into the craft of writing, from using mentor texts to crafting leads and memorable endings. He uses student models from his own classroom to show the deep, important work his students produce during the memoir unit. By writing about themselves and how they view the

world around them students discover more about themselves and how they want to move forward in the future
