Notice not his dad. However, I totally agree with Todd. Gary Hveem, Athletic Director, Rio Rancho. Coach Sepulveda is definitely on the top five of most admired men in my life. Scott Hutt, Tiger Track 1972. Everything I do in track and field as a coach from organization to training of athletes I learned from my years with Coach Bob Sepulveda. Dale Lindley, Coach Chaparral Junior High. I can think of no better word to describe Coach Sepulveda's character than Mana. In the New Zealand Maori culture, one who has Mana carries with them a great deal of honor, presence, or prestige. This is Coach Sepulveda, hugely respected and able to bring the best out of his athletes. Coach Lorne Singer, Kiwi Tiger Track 1994. This book series, beginning with book 1, is an Alamogordo Tiger Tale of the Historical Crossroads of Football Track. Chris Edwards, it is national in scope as many associated coaches and athletes had a national or international influence in athletics, politics, and world events with the common theme of all being touched by the Alamogordo Track. That is what I felt when I read *Coach Robert Louis Sepulveda The Early Days*. During these dark and down days in sports due to political unrest and the public health issues, this book is a refreshing look at a positive sports history with detailed research and great inspirational stories of each sports season covered. A history lesson with records dating back to the start of interscholastic sports in the early 1900s, part inspirational story with tales of NFL and Olympic heroes, this book gives us hope for better days ahead by reflecting on an inspirational past. Coach Sepulveda rekindles my belief in the athletes and the coaches that make up interscholastic sports. Buy this book to learn and to be entertained.
