Pietri, 2014-06-01 In the United States cannabis is currently illegal but this book investigates how big pharmaceutical companies are looking at an end game of legality controlled by them It examines how the Amsterdam scene has been transformed how home growers have been manipulated into using inferior techniques and how companies with help from the Drug Enforcement Agency DEA and big pharma are patenting cannabis strains for control and profit The leadership of the

cannabis industry want to legalize marijuana with taxation and regulation but the pharmaceutical industry cannot take over medical cannabis without first shutting down the scene today The book predicts that legalized production will be tightly controlled by major players using the IRS and DEA as a means of removing other growers Regulation will also control the amount of tetrahydrocannabinol THC in each marijuana cigarette forcing stronger cannabis to be available to medical patients by prescription only A black market will still exist so people will still go to jail and the drug war will go on With history and explosive behind the scenes looks at big pharma collusion this book is both an expos and an in depth look at the arc of freedom and probable control through use of pharmaceutical patents for marijuana
