# Numerical Analysis

An abstract graphic featuring a glowing blue helix or spiral shape that appears to be emerging from or contained within a translucent, wireframe sphere. The sphere is composed of a grid of lines. The background is dark, and there are faint, overlapping geometric shapes in shades of blue and yellow, suggesting a complex mathematical or scientific theme.

in problem based learning PBL and student centered learning More importantly the current face to face model of curriculum  
implementation faces many challenges that seem to question its dominance over other models The violent nature of the  
COVID 19 pandemic has again vindicated SDL practitioners and research enthusiasts to continue seeking solutions that will  
enhance skills to cope in a rapidly changing technological globalized world However the higher education sector is  
challenged when promoting SDL due to a slow pace of digital integration since the education system is not fully transformed  
This has necessitated an urgent need for global discourse on how universities globally are implementing SDL strategies to  
enhance the quality of curriculum delivery Advancing Self Directed Learning in Higher Education provides insight into  
various strategic approaches that could be adopted for the successful implementation of SDL in higher education It is written  
for professionals who want to improve their understanding of how to improve student teaching and learning and the quality  
of curriculum implementation in higher education In this realm this book provides ideas to its readers about the approaches
