Motta, 2023-11-20 This book focuses on secondary trauma as distinct from other forms of psychological trauma and PTSD While PTSD has garnered considerable attention in the literature secondary trauma afflicts a far greater number of people Secondary trauma refers to the spread of negative emotional and cognitive states from those who are traumatized to those who have close contact with these individuals While PTSD and other forms of primary trauma can negatively alter one s self perception and result in a fearful distrust of one s environment secondary trauma taxes and drains one emotionally but often does not cause a weary distrust of the environment and negative self view The book delineates how when and where secondary trauma occurs and provides the latest information on treatments it is noted that unlike primary trauma and PTSD which respond to traditional treatments such as cognitive

behavioral therapy and exposure therapy secondary traumatization is best addressed with interventions such as targeted social support various exercise interventions mindfulness yoga animal assisted therapy and immersion in natural environments Secondary trauma is a common and commonly ignored stressor whose impact is wide ranging This volume accessibly brings this problem to the fore and is a resource for all of those who deal with silent sufferers and paves the way for further necessary study

**No Way to Treat a Friend: Lifting the Lid on Complementary and Alternative Veterinary Medicine** Niall Taylor,Alex Gough,2017-09-08 No Way to Treat a Friend is an informative and readable expos of Complementary and Alternative Veterinary Medicine CAVM Written in an accessible style and illustrated with stories and cases from veterinary practice about real animals this book is a counterweight to the mass of pro literature in existence which uncritically promotes CAVM without consideration of whether or not it works or could even be harmful to our animal companions The book takes a close look at how thinking can go wrong and how animals can appear to respond to treatment even when it is ineffective Individual alternative practices are examined including homeopathy acupuncture raw diets and the anti vaccination lobby and we find out if their claims stand up to scrutiny With a thoroughly scientific line it is not an attack on different belief systems but a rigorous analysis of the facts and a consideration of typical CAVM arguments as well as a helpful explanation for people who may be unfamiliar with what the various therapies entail Following on from the several successful books questioning the use of complementary therapies in human medicine such as Bad Science No Way to Treat a Friend looks at their use in veterinary medicine This is a valuable resource for veterinary practitioners as well as lay people who are interested in popular science animal topics animal welfare and medical matters 5m Books
