Laughter in a Time of Turmoil Richard P. Olson, 2012-04-11 Here s a different angle on humor it can be a spiritual practice an expression of a theology of joy hope and grace Humor is so valuable for it offers self care healing and renewal precious gifts in times of pressure and tension Olson begins by telling of three unforgettable friends who lived their lives with joy and zest a practice that opened doors and aided their own sense of well being Playfully he continues by exploring the known benefits of humor Next considered is the amazing variety of humor in the Bible a basic theology of a laughing God and the caring ethic of humor that emerges from this theology Finally there is a discussion of how this practice of humor enriches worship caregiving and administration Laughter in a Time of Turmoil draws to a close considering spiritual disciplines practices and why humor belongs among these practices Suggestions are then offered on how to grow in this spiritual practice Discussion questions are provided for each chapter to help groups enjoy their conversations about the book This book will help you think and laugh or laugh and think take your pick and then be on your way rejoicing **Still**

Growing Donald Capps, 2015-03-26 The later adult years are commonly viewed as a period in which one struggles to maintain a vestige of the physical mental and emotional vitality of one s earlier years In Still Growing however Donald Capps shows that older adulthood is actually a period of growth and development and that a central feature of this growth and development is the remarkable creativity of older adults This creativity is the consequence of the wisdom gained through years of experience but is also due to a newly developed capacity to adapt to unprecedented challenges integral to the aging process In Part 1 Capps illustrates the challenges of transitioning to older adulthood from the author s own experiences while in Part 2 he draws on material from Erik H Erikson Sigmund Freud and Paul W Pruyser to account for longevity adaptability and creativity in older adults Finally in part 3 he focusses on the work of both William James and Walt Disney to fashion a model of creative aging

Pastoral Aesthetics Nathan Carlin, 2019-03-06 Nathan Carlin revisits the role of religion in bioethics an increasingly secular enterprise and argues that pastoral theologians can enrich moral imagination in bioethics

Humor Us Donald Capps, 2016-10-21 This book addresses the fact that Americans tend to live under a considerable amount of stress tension and anxiety and suggests that humor can be helpful in alleviating their distress It posits that humor is a useful placebo in this regard cites studies that show that humor moderates life stress considers the relationship of religion and humor especially as means to alleviate anxiety proposes that Jesus had a sense of humor suggests that his parable of the Laborers in the Vineyard has humorous implications for the relief of occupational stress explores the relationship of gossip and humor and suggests that Jesus and his disciples were a joking community It concludes that Jesus viewed the kingdom of God as a worry free existence

Religious Mourning Nathan Carlin, 2014-04-24 Religious Mourning is about a common experience among those who study religion religious loss When people of faith study religion critically or when life experiences such as death and divorce trigger personal reflection on faith religious intellectuals often become estranged from their own tradition Sometimes this estrangement causes them to leave religion altogether But for those who study religion from a psychological perspective a certain kind of introspective and iconoclastic religiosity can be revived by means of academic writing Religious Mourning explores this phenomenon by focusing on psychobiographical writings about religious leaders including Donald Capps portrait of Jesus of Nazareth James Dittes portrait of Saint Augustine and William Bouwsma's portrait of John Calvin to show how these authors personal lives and especially their experiences of loss influence their scholarship As Capps Dittes and Bouwsma subversively scavenge the lives of Jesus Augustine and Calvin to reverse and restore a religion that is rich with experience including and especially their own they invite us to do the same

Cross-Shaped Leadership John A. Berntsen, 2008-11-07 For Lutheran pastor John Berntsen the cross is about more than the crucifixion on Good Friday It is shorthand for the whole drama of salvation God's decisive act of reconciling the world to God's own self The cross is dying and rising with Christ but at a deeper level it is the story of the world's resistance to grace Those who lead are subject to the cross no less than others In contrast with the current fashion for visionary or purpose driven leaders cross shaped leaders are not primarily the providers of master plans nor are they master builders

Cross shaped leadership is provisional contextual and fallible open ended ministry that has the character of a pilot project It is always under construction and revision Our moment by moment functioning in ministry is subject to countless deaths and resurrections few of which are heroic or glorious But Berntsen offers good news within this potentially dismal perspective He writes Once we ve accepted the truth that ministry is hard even impossible once we ve stopped living in denial of this reality or perhaps whining about it it becomes the truth that sets us free We cease being gloomy servants weighed down by our resentful conviction that we are all alone in our work the closet atheism born of the worry If I don t do it nobody will and instead become joyful coworkers of a strong wise and consoling Lord With optimism humor and deep empathy Berntsen s Cross Shaped Leadership offers hope and challenge in the midst of the rough and tumble of parish practice
