Introduction to Health and Safety at Work Phil Hughes, Ed Ferrett, 2009 *Introduction to Health and Safety at Work* has been developed for the NEBOSH National General Certificate in Occupational Safety and Health. Each element of the syllabus has a dedicated chapter and both taught units are covered in this book. Previous editions of this book have been used for other NVQ level 3 and 4 courses in health and safety. Full colour pages and hundreds of illustrations bring health and safety to life.
