**Helping Teachers Develop** Sara Bubb, 2005-09-20 Helping Teachers Develop is a positive uplifting encouraging publication very good value for money It is the sort of publication we need in the profession and it is well worth being part of every head teacher or staff development tutor s collection of really useful books I have to confess even before I had finished reading it for review I was using Helping Teachers Develop with my trainee teachers Peter Stammers in the Journal of In

service Education The book explores ways teachers at all levels can mentor others and improve their careers It also contains guidance on ways to cope with having your lessons observed and how to make constructive comments as an observer

Michael Shaw Times Educational Supplement This is another excellent and accessible practice guide from someone who unusually understands both the classroom teacher from long years of practice and the theory The chapter on observation of teachers should be read by every headteacher deputy and teacher who engages in monitoring classroom practice Note a few inspectors would benefit too It s one to read and then refer to on a regular basis if you work in schools or PGCE departments

Tim Brighouse Chief Adviser for London Schools Helping teachers develop whether they re trainees newly or recently qualified in their first three ten or twenty years and whether they re superb or struggling is vital for the profession for the millions of children who ll learn more as a result Schools have to take greater responsibility for staff s continuing professional development CPD but there is little real help for the people who develop teachers The best teachers will be expected to mentor trainee and newly qualified teachers NQTs and share good practice with all colleagues Drawing directly on real life experience and the latest research this book will help people in a mentoring coaching advisory or management role to o develop teachers through understanding adult learning and the CPD cycle o meet needs from the range of professional development activities o carry out observations and give oral and written feedback in a range of situations o help and monitor planning and other parts of the job o help teachers develop their careers Using examples from current practice Sara will take you through every stage of CPD from what professional development is to how you can support and monitor staff in your own school There are photocopiable materials for you to use The guidance in this book will be essential for mentors induction tutors CPD staff development coordinators people with advanced skills or excellent teacher status and all those with a leadership and management role in schools or local authorities

Sara Bubb is the UK s leading induction expert and has vast expertise in the CPD field She runs many courses for different levels of school staff assesses trainee and advanced skills teachers and is the new teacher expert for the Times Educational Supplement Sara has been seconded from the Institute of Education to the DfES as the consultant for the Chartered London Teacher initiative She is the co author with Peter Earley of *Leading and Managing Continuing Professional Development and Managing Teacher Workload*

*Art Teaching* George Szekely, Julie Alsip Bucknam, 2013-06-17 *Art Teaching* speaks to a new generation of art teachers in a changing society and fresh art world Comprehensive and up to date it presents fundamental theories principles creative approaches and resources for art teaching in elementary through middle school Key sections focus on how children make art why they make art the unique qualities of children s art and how artistic development can be encouraged in school and at home Important aspects of curriculum development integration evaluation art room management and professional development are covered A wide range of art media with sample art activities is included Taking the reader to the heart of the classroom this practical guide describes the realities challenges and joys of teaching art discusses the art room as a zone for creativity and illustrates how

to navigate in a school setting in order to create rich art experiences for students Many textbooks provide information this book also provides inspiration Future and practicing teachers are challenged to think about every aspect of art teaching and to begin formulating independent views and opinions **Technology Integration in the 21st Century Classroom**
