*Essentials of Human Resource Management* Shaun Tyson, 2012-06-14 *Essentials of HRM* combines a commentary on organizational behaviour with an explanation of human resource management techniques and also acts as an introduction to industrial relations. It will prove an invaluable aid to those studying for professional qualifications such as Membership of the Institute of Personnel Management or the Diploma in Management Studies and for students on general business or social service courses. Equally the practising manager will find this book a useful and practical guide.

**Fundamentals of Human Resource Management, Global Edition** GARY. DESSLER, 2019-05-10 For introductory courses in human resource management. Foundations in management beyond the HR department. *Fundamentals of Human Resources Management* supports human resources training for all students of management, not just HR managers. The text presents a wide range of HR topics within a single semester of material and a wealth of functional examples and applications. *Fundamentals* is also the first text of its kind to make talent management processes a core study. This 5th Edition has been updated with practical personnel techniques, real company examples, and new material on business sustainability. Each chapter touches on important recurring themes in management, including employee engagement, tactics, small global business management, employment law, features, and positive employee relations to help students become stronger and more effective managers. MyLab Management is not included. Students if MyLab Management is a recommended mandatory component of the course, please ask your instructor for the correct ISBN. MyLab Management should only be purchased when required by an instructor. Instructors contact your Pearson representative for more information.
