Shine, 2012-09-13 The truth is any relationship that is truly special is worth trying to salvage Anyone who tells you otherwise is wrong It doesn't matter if you've already broken up and things seem like a lost cause When it hurts as bad as I'm guessing it's hurting you right now know that the pain you're feeling is your heart telling you that what you had was special and you don't want to lose it But guess what if you give up now or make all the wrong choices while trying to save it you will lose your ex forever This book has been written to help make sure that doesn't happen to you [Get Your Ex-Lover Back](#) Anthony Ekanem, 2016-06-26 There are many couples all over the world who have broken up with their partners for some very simple misunderstandings It's sad to think that many of these breakups could have been completely avoided if each person had a clearer understanding of what their partner was thinking and what they wanted from the relationship Unfortunately because men and women are biologically different there are specific things we do that can easily drive a partner away rather than keeping them close as we had wanted You might wonder why your relationship has ended at all But the reality is that even good relationships do break up If men and women had a little more awareness of how the opposite sex was thinking then breakups would never happen In fact you could have turned your relationship with your ex lover into a life long happy partnership where neither of you would ever consider looking for another relationship If you've recently broken up with the love of your life don't feel that all is lost There's still hope that you can win your ex lover back and it's actually easier than you think The problem is that we're not taught how the opposite sex thinks so it's mostly a mystery to most people We're stuck trying out tactics that we think

may work without ever considering what our partner would prefer instead Are you ready to bring your ex lover back into your life Are you really ready for them to fall in love with you deeper and stronger than the first time around Then read on
