

Report of the President & CEO to the Board of Directors

Date: October 2013

Change is the law of life.
And those who look only to the past or present are certain to miss the future.
John F. Kennedy

Welcome to a new era in hospital healthcare delivery in Windsor/Essex.

On a monthly basis, I provide a report to the Board of Directors of Windsor Regional Hospital (WRH) that I will share with all of you highlighting various activities of WRH.

This month's report is meant to provide you with an overall orientation to WRH's Strategic Plan.

The Strategic Plan is the Plan that drives what we do on a daily basis towards achieving our *Vision of Outstanding Care...No Exceptions!*

The current WRH Strategic Plan is used as the template for this monthly report. You will continue to hear that everything we do has to be tied back into the Strategic Plan. If the work we are doing is not directly tied into the Strategic Plan and does not accomplish one of the Strategic Directions, then we STOP doing it.

The current Strategic Plan was created in 2012 and lasts until 2016. It was created by direct involvement of front line staff from across the organization. It was created by examining both our internal and external environment and determining what our organization should focus on operationally for the benefit of our patients and stakeholders.
