illustrations size 8 25 x 10 75 inches A previously unpublished manual from the Floyd Clymer archives This manual is a
compilation of extremely scarce and difficult to find original factory publications for the Bridgestone 350GTR and 350GTO
series of motorcycles The factory publications included are The 350GTR Technical Handbook Workshop Manual publication
number T7350E The 350GTR Parts Catalogue publication number P7350WO The 350GTO Parts Catalogue publication
number P9350GTOWO plus the appropriate pages from Tuning Up for Competition publication number L8TUP During the
time they were in production Bridgestone Motorcycles published Technical Handbooks or more appropriately Workshop
Manuals for their various models These factory issued workshop manuals were produced in small quantities and are scarce
and difficult to find in today s market In addition the factory also published Parts Catalogues which included exploded parts
diagrams that are a useful tool for restoration work or even general maintenance tasks These factory Parts Catalogues were
also re printed by Rockford Motors but unfortunately many of the diagrams were reduced in size some to less than a quarter
page making the details difficult to see This manual also includes a re print of the original factory Bridgestone350 GTR
350GTO Parts Catalogues with full page exploded parts diagrams Rockford Motors also published repair manuals but
unfortunately the quality of the images were degraded in the re print process that was available at that time and some of
them are so poor that they are of little use By utilizing both the original factory Technical Handbook and Parts Catalogues in
the production of this combined manual we have hopefully provided the reader with quality enhanced images that are far
superior to those in the earlier Rockford reprints As can be expected from a factory publication there is adequate detailed

text and diagrams to assist in major refurbishing or even a complete mechanical renovation making it an invaluable resource for collectors of these iconic motorcycles and we are pleased to be able to offer this reprint as a service to all Bridgestone 350GTR 350GTO owners and enthusiasts worldwide Maintenance Manual and Instruction Book for Motor Cycle, Solo 350 C.c.
