A Dangerous Profession Frederick Busch,2025-09-23 Frederick Busch has an enduring love affair with great books and here he brilliantly communicates his passion to us all Whether expounding on Melville or Dickens or celebrating Hemingway or O Hara he explains what literature can ineffably reveal about our own lives For Busch there was no other recourse save the dangerous profession it was to be his calling and in these piercing essays he demonstrates that we as a culture ignore the fundamental truths about fiction only at our own peril With keen ruminations that recall the critics of yore Edmund Wilson Lionel Trilling and Irving Howe Busch in this era of moral indirection has revealed how the literature of our past is the key to our survival in the future *Competition in the Evolving Digital Marketplace* United States.
