

middle school writing rubric scoring guidelines

Category	4- Advanced	3- Proficient	2- Basic	1- Below Basic
Focus	My writing is clear and completely answers all parts of the prompt. I did not forget or lose the main idea when I added details.	Sometimes my writing moved away from the main point of focus of the prompt. Sometimes my details do not relate to the prompt and made my ideas confusing.	My writing is not clear and I drifted away from the prompt.	I did not stay focused on the topic or prompt. My writing is very difficult to understand when I re-read my work or when someone else reads my work.
Content	I used important details and information. I developed my ideas and made sure all of my sentences connected to the prompt.	I used some details to support my topic, but I needed to add more information and supporting details.	I needed to use more details to make my writing complete.	I did not use details or ideas to support my topic or response.
Organization	I wrote a strong introduction, body, and conclusion. I used appropriate transitions to connect my ideas.	I needed to put my story in order. I needed to strengthen all portions of my response. I needed to use more transition words to make my ideas flow.	I did not organize my response. I was missing paragraphs. My writing seems more like an outline than complete paragraphs. I did not use transition words.	I had no introduction, body, or conclusion. I have many mixed-up ideas. I did not use transition words.
Style	I used descriptive words that help readers "see" my ideas. My sentences varied in length, word usage, and structure. My tone and voice are consistent.	Most words address the prompt. I should choose a wider variety of words. I did not use different types of sentences. Tone and voice are not always consistent.	I used few descriptive words. I had little sentence variety. The tone and voice are not consistent.	I used no descriptive words. My sentences all begin with the same word or are not complete. There is no consistent tone or voice.
Conventions	I had few, if any, errors in spelling, grammar, and punctuation. My writing is neat and legible.	I made a few errors in spelling, grammar, and punctuation, but my meaning is still clear and understandable.	I had many mistakes in spelling, grammar, and punctuation. Sometimes my writing is hard to read.	My writing had so many mistakes that it is difficult to read or understand.

Instruction in the Middle Grades Diane Lapp, Barbara Moss, 2012-01-27 Offering fresh alternatives to common instructional practices that fail to get results this accessible highly practical guide highlights ways to motivate middle school students while enhancing content area learning Each chapter features an enlightening case study of a teacher whose current strategies are not supported by research describes effective instructional alternatives illustrated with concrete examples and lists online resources and lesson examples Emphasis is given to supporting critical engagement with texts and drawing on technology and new literacies The book covers specific content areas including science social studies math and literature as well as ways to teach oral literacy and writing across the curriculum **Bilingualism for All?** Nelson Flores, Amelia

Tseng, Nicholas Subtirelu, 2020-12-16 It is common for scholarly and mainstream discourses on dual language education in the US to frame these programs as inherently socially transformative and to see their proliferation in recent years as a natural means of developing more anti racist spaces in public schools In contrast this book adopts a raciolinguistic perspective that points to the contradictory role that these programs play in both reproducing and challenging racial hierarchies The book includes 11 chapters that adopt a range of methodological techniques qualitative quantitative and textual disciplinary perspectives linguistics sociology and anthropology and language foci Spanish Hebrew and Korean to examine the ways that dual language education programs in the US often reinforce the racial inequities that they purport to challenge **Collaborating for Real Literacy** Sharon M. Pitcher, Bonnie Mackey, 2013-03-21 Advances in literacy require

collaboration between all of a school s stakeholders This book harnesses the latest research and takes into consideration CCSS to show how to make that collaboration a reality Authentic literacy practice is crucial to preparing all students to be successful both in the workplace and college in the 21st century Insisting that this literacy achievement will only happen when librarians teachers literacy coaches and administrators work together in their schools Collaborating for Real Literacy addresses the role of each instructional leader individually and examines the importance of the group collectively in bolstering the literacy of all students Practical ways to support the teaching of the Common Core State Standards CCSS are infused throughout every chapter In this second edition of the book core chapters on scaffolding literacy centers family

literacy English language learners comprehension assessment writing and discussion have been updated based on current research and CCSS Each of these chapters now offers suggestions for literacy coaches Also new are recommendations for grades K 5 and 6 12 demonstrating specific ways to apply instructional ideas to different age levels and providing materials that can be used for the instruction Additionally three new chapters have been added with real literacy instructional ideas for content area reading and Response to Intervention support for struggling readers

Visible Learning for Literacy, Grades K-12 Douglas Fisher, Nancy Frey, John Hattie, 2016-03-22 Every student deserves a great teacher not by chance but by design Douglas Fisher Nancy Frey John Hattie What if someone slipped you a piece of paper listing the literacy practices that ensure students demonstrate more than a year's worth of learning for a year spent in school Would you keep the paper or throw it away We think you'd keep it And that's precisely why acclaimed educators Douglas Fisher Nancy Frey and John Hattie wrote *Visible Learning for Literacy* They know teachers will want to apply Hattie's head turning synthesis of more than 15 years of research involving millions of students which he used to identify the instructional routines that have the biggest impact on student learning These practices are visible for teachers and students to see because their purpose has been made clear they are implemented at the right moment in a student's learning and their effect is tangible Yes the aha moments made visible by design With their trademark clarity and command of the research and dozens of classroom scenarios to make it all replicable these authors apply Hattie's research and show you How to use the right approach at the right time so that you can more intentionally design classroom experiences that hit the surface deep and transfer phases of learning and more expertly see when a student is ready to dive from surface to deep Which routines are most effective at specific phases of learning including word sorts concept mapping close reading annotating discussion formative assessment feedback collaborative learning reciprocal teaching and many more Why the 8 mind frames for teachers apply so well to curriculum planning and can inspire you to be a change agent in students lives and part of a faculty that embraces the idea that visible teaching is a continual evaluation of one's impact on student's learning Teachers it's time we embrace the evidence update our classrooms and impact student learning in wildly positive ways say Doug Nancy and John So let's see *Visible Learning for Literacy* for what it is the book that renews our teaching and reminds us of our influence just in time
