Essentials Of Visual Communication:

Essentials of Visual Communication Bo Bergström, 2008 *Essentials of Visual Communication* is an inspiring and uniquely accessible guide to visual communication. The book presents the major disciplines in today's media and puts theory into practice explaining how to achieve a strong communication chain from strategy and messages to design and influence to reach the target audience. This book will be invaluable for anyone wanting to communicate through the use of images and text and in particular for students whether in the fields of graphic design, advertising, editorial design, journalism, new media, information technology, mass communication, photography, film or television. In fact, any discipline that seeks to deliver a message through words and pictures. *Essentials of Visual Communication* is illustrated throughout with up-to-date examples of best practice from around the world that help to put visual theory into context. Summary boxes make it ideal for revision and reference.

Essentials of Visual Interpretation Rachel R Reynolds, Greg Niedt, 2020-12-29 *Essentials of Visual Interpretation* explains how to talk and write critically about visual media and to examine how evolving visual environments, media and technologies affect human self-understanding and culture formation. Lively and accessibly written chapters provide a solid foundation in the tools and ideas of visual meaning, familiarizing readers with a growing cross-cultural subfield and preparing them to pursue thoughtful work in a variety of related disciplines. The authors include rich examples and illustrations ranging from cave paintings to memes, from optical science to visual analytics, from ancient pictographs to smart phones that engage students with the fascinating complexity of visual interpretation. Each chapter introduces students to key terms and concepts relevant to visual analysis with ideas for short individual or group exercises to enhance understanding. The book is ideal as a primer in visual analysis and visual communication for students in courses within communication studies, cultural studies, digital humanities, semiotics, media studies and visual anthropology. Online support materials include multimedia activities for students and links to additional resources for students and instructors.
