### **Ethical Issues Third Edition Perspectives For Canadians:**

**Ethical Issues: Perspectives for Canadians - Third Edition** Eldon Soifer, 2009-03-31 Eldon Soifer's highly respected anthology on Canadian ethical issues has been substantially revised in this third edition. The text introduces students to many central ethical issues including animal rights, abortion, assisted reproduction, euthanasia, censorship, pornography, the environment, multiculturalism, aboriginal rights, terrorism, and war. Recent legal documents and non-philosophical works complement the writings of professional philosophers to provide students with the broadest possible introduction to the issues. Brief introductions and discussion questions are provided for each reading. **Ethical Issues: Perspectives for Canadians - Fourth Edition** Eldon Soifer, Doug Al-Maini, Ann Levey, Angus Taylor, 2020-05-05 **Ethical Issues: Perspectives for Canadians** is a collection of readings designed to introduce students to a number of important topics including our obligations toward the environment, the treatment of non-human animals, abortion, assisted reproduction, end-of-life decision making, freedom of expression, war, multiculturalism, and more. Readings have been carefully selected to represent a broad array of perspectives and arguments. Relevant legislation, court cases, and other non-philosophical works complement the writings of professional philosophers to provide students with multiple approaches to the issues. Brief introductions and discussion questions are provided for each reading, and a general introduction to the basic ethical theories is included.

**Ethical Issues in Business** Peg Tittle, 2000-04-13 The core of this text comprises chapters on all the key issues of business in Canada today. Each chapter includes a hypothetical case study and an introduction highlighting key ethical points, two academic essays, and a real-life case study. Questions for discussion accompany the essays and case studies. The author has also included a general introduction to ethical issues and an overview of ethical theory, a section on institutionalizing ethics, discussing ethics officers, programs, codes, etc., and appendices providing excerpts from important classic contributions to ethical theory and from relevant Canadian law. **Ethical Issues in Business - Second Edition** Peg Tittle, 2016-12-15 Peg Tittle's ambitious business ethics text brings together readings, cases, and the author's own informed opinions. The second edition includes over a dozen new readings and case studies as well as a new chapter on issues in Information and Communication Technology. Includes canonical and topical readings on issues ranging from whistleblowing and advertising to international business, the nature of capitalism, and the environment. Engaging overviews from the author encourage careful reflection and critical examination of conventional assumptions. What to Do scenarios and Case Studies illustrate the practical relevance of each topic. Comprehensive introductions to ethical theory and the ethics of business. Questions following each selection test understanding and promote active reading. A primer on ethical institutions examines the role of ethics consultants, codes of ethics, and more. **Culture, Experience, Care: Re-Centring the Patient** Eric Sandberg, Maren Scheurer, 2019-01-04 This volume was first published by Interdisciplinary Press in 2014. Susan Sontag claimed that everyone who is born holds dual citizenship in the kingdom of the well and the kingdom of the sick, and while we

all prefer to use only the good passport sooner or later each of us is obliged at least for a spell to identify ourselves as citizens of that other place We are all in other words past present or future patients This collection examines the many ways in which the idea of the patient can be conceptualized in different cultural professional intellectual and emotional contexts as part of an on going multidisciplinary and international attempt by scholars health care professionals and indeed patients themselves to rethink and re examine patienthood and patient care These chapters attempt to put the patient at the centre not just although clearly not least at the centre of the processes institutions and ideologies of medical care but of a wide range of intellectual and social practices      **In Harm's Way** Joel Feinberg, Jules L. Coleman, Allen Buchanan, 1994-06-24 This 1994 volume contains fifteen essays by leading philosophers exploring themes developed in the work of Joel Feinberg
