Field Guide To The Kokoda Track:

Field Guide to the Kokoda Track Bill James, 2006 *Anzac Journeys* Bruce Scates, 2013-07 Charts the history of pilgrimages to the battlefields and cemeteries of World War Two through surveys interviews and fieldwork **The Kokoda Campaign 1942** Peter Williams, 2012-04-23 The fighting on the Kokoda Track in World War II is second only to Gallipoli in the Australian national consciousness The Kokoda campaign of 1942 has taken on mythical status in Australian military history According to the legend Australian soldiers were vastly outnumbered by the Japanese who suffered great losses in battle and as a result of the harsh conditions of the Kokoda Track In this important book Peter Williams seeks to dispel the Kokoda myth Using extensive research and Japanese sources he explains what really happened on the Kokoda Track in 1942 Unlike most other books written from an Australian perspective The Kokoda Campaign 1942 Myth and reality focuses on the strategies tactics and battle plans of the Japanese and shows that the Australians were in fact rarely outnumbered For the first time this book combines narrative with careful analysis to present an undistorted picture of the events of the campaign It is a must read for anyone who is interested in the truth of the Kokoda campaign of 1942 **Kokoda** Karl James, 2017-03-27 Kokoda Beyond the Legend provides readers with a complete understanding of this major turning point in the Second World War *To Kokoda* Nicholas Anderson, 2014-10-05 When the Japanese war machine swept through South East Asia in early 1942 it was inevitable that conflict would reach Australian territory on the island of New Guinea The ultimate Japanese target was Port Moresby Conquering the capital would sever communication between Australia and her American ally and allow Japanese air power to threaten Australia's northern cities When a seaborne invasion was thwarted at the Battle of the Coral Sea the Nankai Shitai landed in Papua on 21 July and launched an overland attack Having captured the village of Kokoda with its vital airstrip the Japanese headed for Port Moresby traversing the treacherous Kokoda trail that winds across the mighty Owen Stanley Range The Australian Army was ill prepared to confront the Japanese Poorly equipped undertrained and unaccustomed to jungle warfare the untested militia battalions were the first to face the battle hardened invading forces Later when veteran AIF brigades were rushed forward to bolster the militia they also fell in the path of the Japanese onslaught But the over extension of supply lines and disaster on Guadalcanal eventually crushed Japanese aspirations and the Kokoda campaign became a bloody and protracted struggle as the Australian troops fought to drive the Japanese off the Owen Stanleys and out of Papua While the front line troops were engaged in a bitter fight for survival a power struggle erupted at the top of the Allied command hierarchy resulting in a series of sackings the competing ambitions of the Allied commanders clouding their judgement at a critical time It was under these conditions against a determined enemy and on one of the harshest battlefields on earth that the Australian forces began to learn the crucial lessons that would be needed to break the back of the Japanese Army in New Guinea *All the Broken Soldiers* Jan McLeod, Andrew McLeod, 2022-11-03 This is the story of a soldier without a gun It is personal yet universal It is the story of what is left behind

when the battles have been fought and the war has moved on To the Australian Army Private Lawrence Nicholas Kennedy was NX21854 a soldier who served for 1907 days with the 2 4th Australian Army Field Ambulance in Australia the Middle East the Kokoda Track and New Guinea during World War II With older brother Bill by his side the Kennedy boys experienced the adventure and the joy the loss and the despair of war like too many others before and since To those who knew Nick Kennedy after the war he was a dedicated and professional psychiatric nurse To the author he was her gentle Uncle Nick remembered as a kind funny and generous man who seemed older than his years The small diary he kept during World War II helped her understand why that was so Kennedy s words and photographs tell the harrowing and compelling story of one young man who went to war not to kill the enemy but to save his fellow soldiers only to return home forever changed by the challenges hardships and tragedy he experienced All the Broken Soldiers provides a rare insight into an aspect of war fought by soldiers equipped with little more than a basic medical kit and a Red Cross armband those who cared for the broken soldiers that war leaves behind *Journeys and Destinations* Alex Norman,2013-07-16 Journeys and Destinations Studies in Travel Identity and Meaning brings together scholarship from diverse fields all focused on either practices of journeying or destinations to which such journeys lead Common across the contributions herein are threads that indicate travel as a core component as a concept or a practice of the fabric of identity and meaning **Field Guide to the Kokoda Track** ,2019 **Kokoda Legend** David Howell,2024-06-05 One of the finest soldiers and most courageous leaders I have ever known Lt Doug McClean D Coy 39th Battalion If you have trekked Kokoda then the campsite of Templeton s Crossing will be familiar Discover the story of the man behind the name Captain Sam Templeton was the first Australian Officer to be captured by the Japanese in the Kokoda Campaign After being interrogated by his captors he was executed on the battlefield Templeton had predicted his fate telling a platoon commander if he went into action he wouldn t come back Having resigned himself to his destiny Templeton misled his captors on the numerical strength of the Australian forces waiting in Kokoda and Port Moresby Did Templeton s misinformation slow the initial push by the Yokoyama Advance Force into the Owen Stanley Range allowing the Australian Imperial Force to join the fight earlier Did Templeton create doubt in the mind of the commander of the South Seas Force influencing an operational change for the attack on Port Moresby A quiet and often aloof character Templeton s name and actions became synonymous with Kokoda Originally from Belfast Templeton is reputed to have helped quash the Irish rebellion served in submarines with the Royal Navy during the First World War and to have fought with the International Brigade in the Spanish Civil War Kokoda Legend goes beyond the myth to discover the real contribution Captain Sam Templeton made to stopping the Japanese advance over the Owen Stanley Range in 1942 *Bolt Action: Campaign: New Guinea* Warlord Games,2017-08-24 In 1942 Japanese forces invaded the island of New Guinea and started a bitter three year campaign against allied Australian and American forces Fought in dense jungles and across rugged mountaintops the grueling fight pushed men to their very limits and forced commanders to adopt

new strategies and tactics for the harsh island terrain Filled with new rules scenarios and unit types this supplement for Bolt Action provides players with all of the information they need to set their games in this unforgiving battlefield
