the best methods most propitious times and just exactly how to communicate with each angel You hold in your hands the ultimate resource for getting in touch with the divine Open your heart to the miraculous powers of the angels and fill your life with the peace encouragement and blessings that you ve always wanted **Angels** Michael S. Heiser, 2018-09-19 What does the Bible really tell us about the heavenly host Everyone knows that angels have wings usually carry harps and that each of us has our own personal guardian angel right We all have some preconceptions about angels from movies television shows and other media but you might be surprised to know that a lot of those notions aren t based on anything from the Bible If you read Luke 1 26 38 and imagine the angel Gabriel standing before Mary with neatly folded white wings you re not getting that picture from anything the Bible itself says What the Bible really says about angels is overlooked or filtered through popular myths This book was written to help change that It s a book about the loyal members of God s heavenly host and while most people associate them with the word angel that s just one of many terms the Bible uses for supernatural beings In *The Unseen Realm* Michael Heiser opened the eyes of thousands to seeing the Bible through the supernatural worldview of the ancient world it was written in In his latest book *Angels* Dr Heiser reveals what the Bible really says about God s supernatural servants Heiser focuses on loyal holy heavenly beings because the Bible has a lot more to say about them than most people suspect Most people presume all there is to know about angels is what has been passed on in Christian tradition but in reality that tradition is quite incomplete and often inaccurate *Angels* is not guided by traditions stories speculations or myths about angels Heiser s study is grounded in the terms the Bible itself uses to describe members of God s heavenly host he examines the terms in their biblical context while drawing on insights from the wider context of the ancient Near Eastern world The Bible s view on heavenly beings begins with Old Testament terms but then moves into literature from the Second Temple period Jewish writings from around the fifth century BC to the first century AD This literature from the time between the Old Testament and the New Testament influenced the New Testament writers in significant ways With that important background established the book focuses on what the New Testament tells us about God s holy ones Finally the book reflects on common misconceptions about angels and addresses why the topic is still important and relevant for Christians today **A Greek and English Lexicon to the New Testament ...
