Ford Xb Falcon:

Ford Falcon - Commemorative Edition Luke West, 2022-05-09 Ford Falcon Commemorative Edition celebrates the much loved car's six decade rule of Aussie roads and racetracks. With the chequered flag flying on the Blue Oval favourite, this book examines the first Falcons to take flight in the early 1960s through to the final FG X. Special emphasis is placed on the glorious decade 1969-78 and the magnificent high performance machines from the Falcon XW GT HO to the XA XB and the Cobra. These are cars that still command instant respect and ooze all the excitement, emotion, colour, freedom and raw power of their time. Ford Falcon captures the stories from the men who designed, developed, built and raced these bred for Bathurst beasts. It features stunning photography of Falcon's triumphs, milestones and majesty. Clinton Walker is the author of seven books and several hit documentaries, including the 2001 series on the history of Australian rock *Long Way to the Top*. "The Miller/Romero Connection") Peter D Fleming, 2011-06-22 George Miller and George A Romero are both superb filmmakers. They have given fans exactly what they expect: creative, entertaining and at times horrifying films. Their visions have often been copied but never duplicated. But imitation they say is a form of flattery. George Miller created an almost mythical world based in a post apocalyptic holocaust future. Where knights drive supped up hotrods instead of horses and wear leather instead of armor. The line between good and bad can be as thin as the radiation in the air. George A Romero has too created a world gone mad. But this is a world where the dead return to feast on the living. In this world your best friend may literally become your worst nightmare. Death has become a way of life for the living and the undead. These two masters created two separate worlds gone mad. But after careful review it comes shockingly clear regarding the truth of these two worlds. Was it a zombie outbreak that destroyed Max's world? Is that the real reason he went mad? You decide. See the clues. Compare the films in order of release. See how they interconnect and then you be the judge. They say the weak share in the Earth and that only the strong shall survive. These films prove just how equally true those statements are. *The Bulletin*, 2004
