Forgiveness Object Lesson:

Project Self-Esteem Wendy Cullum, 2014-05-01 Shyness bullying and depression can be a sad part of every child's school experience. Each of these problems can be traced back to a single source: a lack of self-esteem. In my many years of working with children, I have found that the key to helping our kids succeed in life is building up their self-esteem at an early age. In this book are valuable life lessons that have been tried and tested for more than fifteen years by myself and other parents and teachers in their homes and classrooms. The subjects that are taught range from courage to forgiveness. The lessons are fun and uplifting and have profound effects on children and their self-esteem. When children feel they have value, they are happier and do better in school and in life. I taught the lesson for PSE on Joy. Thank you so much for such a great lesson. I went to teach it to the kids at their level and left the classroom so encouraged and full of joy because I couldn't help but to understand the topic. The kids enjoyed all the activities and we had such a fun time. Again, thank you so much for all the work you do to put this program together. It doesn't just impact the children; it was an amazing and timely reminder for me today. Cristina Sands, stay-at-home mom. PSE is a wonderful program at our school. The valuable lessons and discussion points are age appropriate and engaging. We appreciate how they are grade specific. Our students, teachers, and volunteers look forward to the activities and relatable topics each month. Marlo Guerra, PTA member and grounds supervisor. **Select**

Notes Francis Nathan Peloubet, 1905 *Lighten Your Load* JD White, 2025-02-13 Could forgiveness actually be possible even for old wounds that have harmed your soul for years? Theological exploration of scripture meets real-world self-help as this book seeks to reveal a deeper meaning and application of forgiveness as demonstrated in the original languages of the Bible. From Genesis to Revelation, come along on an informative and empowering journey of discovery, gaining a better insight into the biblical concepts of forgiveness, both of the sinner and of the sins that need to be forgiven. From the ancient scapegoat to Jesus, the one who takes away the sins of the world, and culminating in a personal application from the author, this book is designed to help the reader experience the blessing and restoration of forgiveness so that they can finally lighten their load the way God intended. ... **Select Notes on the International Sunday School Lessons ...**, 1899 **ESV**

Stackhouse, 2020 Maybe Christianity is actually true Maybe it is what believers say it is Indeed although there are many many other options today Christianity has more adherents than any other religion in the world Why How is it possible for modern people to believe this story of miracles and triumph over death This book begins by establishing how faith should be properly grounded in knowledge It then clears away misunderstandings about the basic story of the Christian religion misunderstandings that repel reasonable people who might otherwise be intrigued John Stackhouse outlines the reasons why two billion people find this religion persuasive making it the most popular explanation of everything in human history He responds to the reality that so many people find Christianity utterly implausible not least because of the persistence of the problem of evil which seems to undercut everything Christianity asserts Grounded in scholarship but never ponderous Can I Believe refuses to doge the hard questions as it welcomes the intelligent inquirer to give Christianity at least one good look Book jacket

The Heart of Apostasy Dr. Eric M. Wallace, 2025-08-11 For decades the Black Church has stood as a beacon of faith resilience and moral courage But beneath the surface of spiritual fervor lies a growing crisis a theological drift that has exchanged biblical authority for cultural and political conformity In *The Heart of Apostasy* Dr Eric Wallace confronts this dangerous shift head on exposing how progressive ideologies like identity politics critical race theory and cultural Marxism have infiltrated the pulpits and pews of the Black Church leading it away from its prophetic calling Drawing deeply from the Parable of the Sower in Luke 8 Dr Wallace diagnoses the spiritual condition of a Church divided by disillusionment distraction and ideological compromise With keen biblical insight and cultural analysis he traces how the seeds of apostasy have been sown not by external oppression but by an internal abandonment of Scripture as the ultimate authority This book is not merely a critique it s a call to repentance and renewal Dr Wallace challenges pastors lay leaders and believers to reclaim a Kingdom centered worldview where allegiance to Christ takes precedence over racial solidarity and partisan politics He offers a clear path forward grounded in the R I S E Principles Responsible Government Individual Liberty and Fidelity Strong Family Values and Economic Empowerment a biblical framework for cultural engagement that does not compromise the Gospel *The Heart of Apostasy* is a prophetic wake up call for a Church at a crossroads Will we continue down the path of ideological captivity or will we return to the Good Soil of a heart wholly devoted to Christ and His Word

Mark: Jesus Christ, Love in Action Practical Christianity Foundation, 2020-08-08 The Gospel of Mark was written about A D 57 59 by a Jewish disciple of the Christian faith the same John Mark mentioned at least ten times in the New Testament John was his Hebrew name and Mark was his Gentile name 1 All of the early church fathers ascribe this gospel to a young man who was not one of the twelve apostles but was a disciple of Paul and later of Peter He is often referred to as the interpreter of Peter s teaching and Peter apparently gave Mark his stamp of approval for the use of these teachings among the early churches 2
