object of familiarizing the reader with the operation and construction of these units It should be borne in mind that these transmissions the PowerFlite in particular are highly complicated and adjustments and repairs should be left only to those who possess the necessary know how experience and equipment to perform these delicate operations To a great extent the same holds true for the Power Steering units and the electrical gear starter motor generator voltage regulator Many thanks are due to the Chrysler Division Plymouth Division Dodge Division and De Soto Division of the Chrysler Corporation who have been kind enough to furnish extensive service information and the material upon which this handbook is based 1955 Hank Elfrink Operator's, Organizational, Direct Support, and General Support Maintenance Manual Including Repair Parts List for Saw, Power, Hack, Model 1010, Kasto-Racine Inc.
