stories and memoirs of Forrest Fenn **Once Upon a While** Forrest Fenn, 2017-10-23 A collection of the author's favorite memories, stories, and comments **The Thrill of the Chase a Treasure Hunt** Rob Johnson, 2017-06-12 Over 1 million worth of gold, jewels, and jade is hiding in the Rocky Mountains. Close to one hundred thousand searchers are looking for Forrest Fenn's treasure, but they are all at an extreme disadvantage: they don't have this guide. When Forrest Fenn, an eighty-year-old millionaire, first announced that he had hidden his fortune in the Rocky Mountains, author Rob Johnson became obsessed with finding the treasure site. Ever since Fenn's proclamation in 2010, hundreds of thousands of treasure hunters have joined the search. Johnson focused on the riddles and clues that could give away the treasure's location. Unable to continue searching for the treasure on his own, he is now publishing his research for the benefit of anyone as passionate about Fenn's fortune as he is. Johnson's guide includes the following: An analysis of Fenn's memoir *The Thrill of the Chase*, the first and best clue to the treasure's whereabouts; Stories from his own experiences with the hunt; Solutions and hints to Fenn's most famous riddles; Multiple treasures exist; Context about Fenn's life and areas of expertise; Other advice about starting your own treasure hunt. With Johnson's help, you could be the one to finally put the clues together and solve Fenn's mystery.

A Treasure More Than Gold Ritt Jordan, 2015-04-21 Almost four years have passed since Forrest Fenn released his memoir *The Thrill of the Chase*. In his book, he tells of a bronze treasure chest which he hid somewhere in the Rocky Mountains north of Santa Fe, NM. Since it was released, thousands of treasure hunters and adventurers have been searching for this hidden treasure. His memoir includes a poem with nine clues; unlock the clues and follow the directions precisely, and it will lead you to the treasure. If you find it, he says, he will give you title to the gold. If you dream of riches and would like a challenge, then this book will give you a head start. Back cover *Mountain Walk Versus Forrest Fenn* Richard E. Saunier, 2023-06-24 *Mountain Walk Versus Forrest Fenn* was written to support a unique idea and to defend the legacy of a generous and noble friend. Forest Fenn devised a treasure hunt in which he hid a fortune in gold and jewelry in the Rocky Mountains. He peppered clues throughout his book *The Thrill of the Chase: A Memoir* as to its location and declared the finder could keep the treasure. The purpose was to get people outside and to share the things and experiences that made his own life interesting and fulfilling. The treasure was discovered in June 2020, shortly before Forest Fenn and his wife of sixty years passed. A decision by Fenn and the finder to not disclose the site left many of the thousands who searched for his treasure dissatisfied, some caustically. So for them, the game was a hoax, a scam, and unfair. Legal suits were brought against the Fenn estate, the finder, and other tangentially involved individuals. Books and articles were written with no purpose other than

destroying Fenn's legacy Mountain Walk a blog to help interpret the clues and keep treasure hunters out of trouble argued the only way to stop the nonsense was to find the hiding site using nothing but the clues given in Fenn's memoir The Thrill of the Chase The author takes the reader through that mental exercise with the caveat that at this point only the finder really knows the site's location
