Math Skills by Objectives Cambridge Adult Education, 1988-03. Math Skills by Objectives teaches basic math skills and shows students how to apply the skills they have learned to their daily lives. This three-volume program is organized by learning objectives, subskill by subskill, so that both students and teachers know exactly what their goals are. The evenly paced methodical style of instruction develops student confidence and mastery so students never go on to a new subskill or skill unless they have mastered the previous one. Book 3 reviews the basic math operations taught in Book 1 but at a more advanced level.
