State Secretaries of State Ms Jocelyn F Benson,2013-02-28 Nearly a decade after the 2000 Presidential elections invited a firestorm of questions about the sanctity of our democratic process there continues to be a heightened interest in the role of state wide elections officials typically the state s Secretary of State this book looks into their pivotal role in the promotion of a healthy democracy Much past interest has resulted in overly critical coverage of election errors ignoring the tireless efforts that ensure the American citizens benefit from a democratic inclusive and accountable election process Through a series of case studies anecdotes and interviews with current and recent secretaries State Secretaries of State author Jocelyn Benson readdresses this balance by providing the first in depth study of the Secretary s role in registering voters enforcing voting laws and regulations overseeing elections and certifying results As such it represents a much needed contribution to the study of US elections both in practice and in law *Guide to U. operations to explore all these questions and many many more Now available in PDF format **Drawn to the Flame** Erin A. Singer, Matthew J. Etchells, Cheryl J. Craig, 2023-10-24 Drawn to the Flame investigates incidences of burnout and burnout avoidance among educators in both K 12 and higher education spheres during the COVID 19 pandemic a period that saw an intensification and increased frequency of polarizing sociocultural and socio political conditions **Integrity Counts** Brad Raffensperger, 2021-11-02 In Integrity Counts lifelong Republican and Georgia Secretary of State Brad Raffensperger speaks out against the former president s false claims of voter fraud in the 2020 election and hopes to restore confidence and trust in our country s elections Brad Raffensperger put public service above party service and for that he is a true democracy action hero and he is also my hero His book serves as a reminder that American democracy is bigger than any individual candidate or election THE HON ARNOLD SCHWARZENEGGER former governor of California Integrity stands as the cornerstone of American democracy Brad Raffensperger Georgia Secretary of State defended American democracy by refusing to bend to demands that he change the legitimate results of the 2020 presidential election in his state Raffensperger s defense of democracy made him a target of President Donald Trump for months following the election culminating in an hour long phone call in which the president told him I just want to find 11 780 votes the exact number he needed to win Georgia s sixteen Electoral College votes Once again Raffensperger refused Georgia voters had spoken A lifelong conservative Republican who had financially supported President Trump s reelection campaign and voted for Trump Raffensperger called for a hand recount of every vote to confirm the results and affirm the integrity of Georgia s election Still President Trump persisted in his personal attacks One of the most troubling questions in the wake of the 2020 election Raffensperger says is whether America will see every candidate who loses a major election refuse to accept the results and instead set out to raise money and build support on unfounded claims of fraud and corruption To avoid that prospect Americans must come to terms with the scope of the problem but doing so won t be comfortable for either party Either party because the 2020 crisis was not unprecedented in Georgia By November 2020 Raffensperger had been challenging the claims of a stolen election for nearly two years In the fall of 2018 after Democrat Stacey Abrams lost the race for governor of Georgia she told a crowd of supporters So to be clear this is not a speech of concession Concession means to acknowledge an action is right true or proper As a woman of conscience and faith I cannot concede The similarities don t end there and when considered with some care they paint a troubling picture of an all too bipartisan willingness to undermine the integrity of our democracy and the public s confidence in it for the sake of personal and partisan gain Integrity Counts tells Raffensperger s inspiring story of commitment to the integrity of American democracy **Politics in Georgia** Robert M. Howard, Arnold Fleischmann, Richard N. Engstrom, 2017-10-15 This new edition has been extensively updated to reflect developments in Georgia politics and government since 2007 a decade that has seen three presidential election cycles two midterm elections and a census Updates reflect not only changes in how Georgia is governed but also the economic and social trends helping to
