

Focus Skill: Fact and Opinion

Read the passage. Then choose the best answer for each question.

The Best Season

Winter is the best season of the year! There is so much to do, especially if you live where it snows. Some places, like Marquette, Michigan, get more than 130 inches of snow each year. Think of all the things you can do with that much snow! You can go skiing or snowshoeing. You can build a snowman or ride a snowmobile. I think the best thing to do is to go sledding. Afterward, you can have hot chocolate!

Everyone should go to an ice hotel. There is one in Canada. Each year workers build a hotel entirely out of ice and snow! Even the furniture, artwork, and light fixtures are made of ice! The worst part is that it all goes away in early April. In April, the temperature rises and the ice melts. I hope I can stay in an ice hotel this winter!

13. Which of the following is an opinion from the first paragraph?

- ☐ A You can go skiing or snowshoeing.
- ☐ B I think the best thing to do is to go sledding.
- ☐ C You can build a snowman or ride a snowmobile.

14. How can you tell whether a sentence is a fact?

- ☐ A It cannot be proved to be true or false.
- ☐ B It tells what the author thinks.
- ☐ C It can be seen or proved.
