

Prizewinning author of *The Fall*
Simon Mawer

The background of the book cover is a photograph of a coastal town. The town is built on a steep hillside, with numerous white and light-colored buildings packed closely together. The hillside is dotted with green trees and shrubs. In the foreground, a green boat with a brown deck is on the water. The boat has two small yellow-framed windows on its side. The water is a deep blue-green color. The title 'SWIMMING TO ITHACA' is written in large, white, serif capital letters across the middle of the image. The word 'TO' is smaller and positioned between 'SWIMMING' and 'ITHACA'.

Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Another popular platform for Ithaca English Edition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the
