Badwan,2021-07-13 This book takes a critical look at the role of language in an increasingly diversified and globalised world
using the new framework of sociolinguistics of globalisation to draw together research from human geography
sociolinguistics and intercultural communication It argues that globalisation has resulted in a destabilisation of social and
linguistic norms and presents a language in motion approach which addresses the inequalities and new social divisions
brought by the unprecedented levels of population mobility This book looks at language on the individual national and
transnational level and it will be of interest to readers with backgrounds in history politics human geography sociolinguistics
and minority languages Ideologies of Communication in Japan Patrick Heinrich,Florian Grosser,Saana
Santalahti,2025-06-19 This book presents case studies of ideologies of communication in Japan which respond to recent
epistemological and methodological developments in the field and reflect the subject wide shift from ideologies of language
to ideologies of communication Chapters explore a wide range of language contexts from formal language learning settings
to video games smartphones and language use in couples and by immigrants The authors use an array of innovative
methodological approaches and theoretical perspectives including language portraits soundscapes and social space The book
also contains chapters that present positive perspectives on ideologies examining how they can be created and mobilized to
inspire specific groups to pursue their interests Together the chapters give a complex and inclusive picture of language in
Japan and the current breadth of the field of ideologies of communication *Mann's Pharmacovigilance* Elizabeth B.
