Transformations of Love Frances Harris,2003-01-30 The most controversial episode in the life of the seventeenth century virtuoso and diarist John Evelyn has always been his passionate complex friendship with the Restoration maid of honour Margaret Blagge afterwards Mrs Godolphin His Life of Mrs Godolphin written after her early death in childbirth exalted the friendship and represented her as effectively a saint They saw their intense friendship as platonic spiritual mentoring Yet it is sometimes argued that what took place between them was actually a kind of seduction on Evelyn s part that far from trying to overcome her religious scruples about marriage to a young man she deeply loved as he afterwards claimed he secretly encouraged them in order to keep her in his power and even falsified some documents to conceal this from her husband whose patronage he sought Was Evelyn in his way as much a sexual predator as the Restoration rakes he professed to despise or does the episode provide a window on an unexplored aspect of early modern spirituality Undoubtedly there was more to the friendship than Evelyn publicly admitted but it remains a puzzle still to be interpreted This new study is based on Evelyn s papers now fully accessible for the first time and on important and hitherto unknown correspondence between Margaret Blagge and her future husband It situates the episode fully within the pre and post Reformation debates concerning marriage and friendship the latter seen by some as more a sacrament than marriage and the long traditions of platonic love and intense friendships between men and women in religious contexts Its diverse and vividly realized settings include the glamorous disreputable public household of the Restoration court and the great gardens of the day at once little worlds in microcosm and recreations of paradise on earth The Garden ,1873 Chinese American Literature without Borders King-Kok Cheung,2017-02-18 This book bridges comparative literature and American studies by using an intercultural and bilingual approach to Chinese American literature King Kok Cheung launches a new transnational exchange by examining both Chinese and Chinese American writers Part 1 presents alternative forms of masculinity that transcend conventional associations of valor with aggression It examines gender refashioning in light of the Chinese dyadic ideal of wen wu verbal arts and martial arts while redefining both in the process Part 2 highlights the writers formal innovations by presenting alternative autobiography theory metafiction and translation In doing so Cheung puts in relief the literary experiments of the writers who interweave hybrid poetics with two pronged geopolitical critiques The writers examined provide a reflexive lens through which transpacific audiences are beckoned to view the other country and to look homeward without blinders **The Garden Lover's Guide to the Midwest** Paul Bennett,2000-05 Our Garden Lover s Guide series has been hailed by Garden Design as eminently practical and by Home as authoritative and indispensable These three new volumes complete our survey of American gardens together the four books feature over 500 public gardens across the country Each book is designed for readers to use as they travel through a state or region Similar to our highly successful

journey that is at once illuminating and whimsical both through the history of the ornamental hermit and also around the sites of many of the surviving hermitages themselves which remain scattered throughout England Scotland and Ireland And for the real enthusiast there is even a comprehensive checklist enabling avid hermitage hunters to locate their prey
