Job 28 as Rhetoric Alison Lo, 2003-12-01 This study seeks to argue that Job 28 is an integral part of the book as it stands and that it is Job's speech Job 28 serves a special rhetorical function within the book and more specifically within chapters 22-31 This work provides a significant interpretative key to Job 28 within the most perplexing section of the book Job 22-31 Job 28 is in contradictory juxtaposition with other sayings of Job However this study argues that such contradictory juxtaposition is a feature of Job's speeches in chapters 22-31 and is part of the author's strategy to make a rhetorical impact upon the audience

Holiness in Israel John G. Gammie,2005-01-26 Gammie s careful study represents an important theological resource for our own work The holiness of God is clearly not simply an antiquarian concern Our uneasiness with such a theological emphasis is surely reflective of the urgency of that very assertion God s holiness marked by majesty for God s self and by passion for the justice of the world takes on power and urgency in the face of our own life issues The holiness of God is urgent in the face of profanation which empties life of larger passion and dignity The holiness of God is urgent in the face of pervasive brutality which trivializes God s purpose and abuses God s world The holiness of God is urgent in the face of the growing authority of technique which diminishes mystery that keeps life open Israel struggles to speak aright about God From the Editor s Foreword by Walter Brueggemann

Speech and Response John E. Course, 2023-10-31

This book is a careful examination of the introductions to the speeches in the Book of Job chapters 4-24 based on rhetorical criticism The primary interest of this work is in inter unit words which connect various texts in the Book of Job in such a way that they form the basis of a response The argument of this study in distinction to a fairly widespread scholarly consensus to the contrary is that the speeches do in some way respond to one another Passages of interest are delimited the form and structure of the passages are discussed the rhetorical analysis for each passage will include evidence of a response to the arguments uttered by one or more of the opponents and an overview if given from the perspective as a response to previous texts

Job & the Gospel of Suffering Robert Sydney Reyes, 2010-10

The story of Job told for the first time with clarity non contradiction understanding and coherence The true Christian Suffering What is it how and why it must be entered and what is its purpose all great surprises for every saint of God small or great The prevailing gospel of suffering is debunked freeing the Christian truly to STAND confidently without fear in Christ for victory after victory and for his/her crown of life This read will quicken the steps in the way of the Lord lift the head in expectation assurance and hope and cause the heart to rejoice Paulinian Boast in the merciful gracious and unchanging predictable and reliable GOOD ALMIGHTY This work tackles some traditional and absurd teachings on the Book of Job along with that accompanying Gospel of Suffering which some have built to support these teachings It removes the darkness from God's character and sets the disciple of Christ free to stand in the light of a good God who does not tempt test or try his saints It shows that the statement by the young Elihu that God will

not afflict is not only true in itself but is the unfailing word of God All readers from the young Christian to the elder will come away with a joyful freshness in the knowledge of the true Sovereignty of God And burdens carried long now and unnecessarily will fall from many Robert Sydney Reyes was added by the Lord to the Church several decades ago He is not a scholar nor an expert nor is he degreed in Theology He owes no allegiance to any religious organization but accepts as he should and must all true children of God as his brethren as he with them in the divine purpose mature into the stature of the fullness of Christ and await the certain return of our Lord Jesus Christ for all the saints Even so come Lord Jesus **The Commentary of Abraham ibn Ezra on the Book of Job** ,2024-12-31 The book of Job was among the most popular books of study for Jewish scholars in the Middle Ages With its themes of suffering providence and theodicy it attracted much attention despite the difficulty of its language Abraham ibn Ezra 1089 1164 was born in Muslim Spain but composed his commentaries while residing in Christian Europe His commentaries meld what was the most advanced thinking of his day to identify the distinction between biblical genres to show sensitivity to rhetoric and poetry to establish a model for defining hapax legomena and to bring scientific and astrological knowledge to the reading of the Bible By innovatively composing the commentary in Hebrew rather than Arabic he also transmitted the intellectual life of the Jews of the Muslim world North making it available to new audiences **Job** John C. L. Gibson,1985-01-01 One of the most exciting and challenging books of the Bible Job is a literary work of great majesty and power In this commentary John C L Gibson helps contemporary readers explore the timeless story of the afflicted Job and its meaning for today Carrying forward brilliantly the pattern established by Barclay s New Testament series the Daily Study Bible has been extended to cover the entire Old Testament as well Invaluable for individual devotional study for group discussion and for classroom use the Daily Study Bible provides a useful reliable and eminently readable way to discover what the Scriptures were saying then and what God is saying today Malbim's Job ,2003 *The Gospel in Job* Yannick Ford,2007 Yves Yannick Ford was born in 1969 and spent his childhood in Buckinghamshire UK His parents and grandparents taught him the importance and value of the Bible as the Word of God and it was through reading and re reading the Epistle to the Romans that Yannick found settled peace and assurance of salvation as a young man He studied biochemistry and works as a scientist in Kent UK where he lives with his wife and four children He is keen for others to read the Bible and experience its life changing power too since it is living and powerful and sharper than any two edged sword Hebrews 4 12 and God uses His Word to cause us to be born again James 1 18 1 Peter 1 23 This is one of the purposes of the commentary on Job to show how all through the Bible there is one message of salvation and how we can enter into a relationship of peace and joy with God through the work of the Lord Jesus Christ A second objective is to show how the lessons that Job learned can teach us not to rely on ourselves but to trust in the Lord Jesus who has not only forgiven our sins but has also dealt with our sinful nature and gives us the power to live a life that is pleasing to Him The author takes up the points made by Job and his friends in their long series of speeches and shows how

these can be understood in the light of the Bible as a whole

Job (Understanding the Bible Commentary Series)

Gerald H. Wilson, 2012-07-01 The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A separate section of notes at the close of each chapter provides additional textual and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes **Job** Bruce

Arnold, 2022-04-28 Most people think of the book of Job as an attempt to explain suffering but they fail to see the more important issue of God's righteousness and graciousness in bringing good out of evil The understanding offered in this book helps the reader focus accordingly on God's purpose in grace to bring Job to know Jehovah himself and his heavenly will that he might thereby be transformed and truly become a servant of God In this respect the book presents a paradigm of God's crucial work with all believers to make himself known to them through revelation and repentance that they might genuinely know him as their Redeemer and be one with his exalted will As is expressed throughout the Bible God warmly desires that all his people serve him The repentance that comes at the climax of the book is not the believer's repentance upon initial faith but the more crucial repentance of the mature believer for the kingdom of God God's purpose with our lives depends therefore on our understanding his will and knowing our God and his righteousness Job is an ordinary servant of God therefore as a pattern to all believers

Job James A. Wharton, 1999-01-01 Job is the quintessential study when it comes to questions of faith in the face of adversity and the universal human quest for meaning and order in a world that consistently mocks both James Wharton concludes that the function of Job never has been to provide answers but to keep the questions urgent and contemporary for all who set out to honor and serve God Books in the Westminster Bible Companion series assist laity in their study of the Bible as a guide to Christian faith and practice Each volume explains the biblical book in its original historical context and explores its significance for faithful living today These books are ideal for individual study and for Bible study classes and groups Baseball Bryan Steverson, 2014-10-14 This book attempts to capture how scripture and our Lord's word can be seen in everyday life It shows us the relationship between the Bible and baseball between religion and our national pastime between scripture and our play
